IntelliAM AI plc
("IntelliAM" or the "Company")

Consulting and Project Services Orders from Hovis Limited ("Hovis")

IntelliAM AI plc (AQSE: INT), a leading provider of software that leverages the power of AI and machine learning to revolutionize the manufacturing industry, announces it has won contracts with Hovis for its consultancy reliability services. This includes contracts for 3 large Hovis sites in East London, Nottingham and Glasgow, and project services for all Hovis manufacturing sites. The services will be linked to the IntelliAM AI platform to support reliability and stability in the operation. These service and project orders will be worth in excess of £100,000 over a 12-month period, starting next month.

Hovis is part of the private equity firm Endless LLP.

About IntelliAM AI plc:

IntelliAM AI plc specializes in developing AI-powered software solutions for the manufacturing industry. The IntelliAM platform harnesses the power of machine learning to optimize industrial asset management, improve productivity, and reduce operational costs.
