Nordic Mobile Operator Telenor to range Spacetalk

Highlights

- **Telenor, one of the Nordic region's largest telecommunications companies, to range Spacetalk Adventurer in-Stores and On-Line in Denmark**
- **Targeted launch in January 2022**
- **Further signals Spacetalk's Pan European expansion**

Spacetalk Ltd. (ASX:SPA) ("Spacetalk"), developer of innovative technologies that responsibly keeps families safe and connected, is pleased to announce that Telenor Group ("Telenor") will range Spacetalk Adventurer on-line and in all of its Danish retail stores.

Telenor is a leading Nordic telecommunications company and Denmark's second largest mobile network operator with 1.7 million mobile subscribers. Across the Nordics and Asia, Telenor has 188 million customers and annual sales of around US$14 billion.

Spacetalk and Telenor are targeting to launch in January 2022.

The financial impact on Spacetalk of selling through Telenor is currently unknown, with no guaranteed or minimum level of revenue, however, the Company expects it to have a direct positive impact on the total revenue of the Company and be reflected in the disclosure thereof.

Spacetalk also advises that its first half 2022 (unaudited) revenue and sales data is expected to be released on Monday 17 January 2022.

This announcement has been authorised by Spacetalk CEO Mark Fortunatow.

About Spacetalk Ltd.

Spacetalk Ltd. (ASX: SPA) is a global technology provider of secure communication solutions for families to stay connected and protected.

Spacetalk's range of all-in-one smartphone GPS watches for children (Spacetalk Kids and Spacetalk Adventurer) and seniors (Spacetalk Life) are purpose built with tailored features, design qualities and best practice data encryption, security and privacy technologies, for families to stay confidently connected. Fun, fashionable, secure and technologically advanced, Spacetalk devices deliver confidence for the child and senior wearer, enhanced controls for the guardian, and engaging functionalities for the whole family to stay connected.

The Spacetalk App is designed to provide a family environment for fun, engaging and secure media consumption beyond its device control functionalities for the guardian. Every linked contact – parents, grandparents, extended family members and friends – regardless of whether they are Android or iOS users, can interact with linked Spacetalk devices and each other through the Spacetalk App.

Spacetalk was founded in 2001 and listed on the ASX in 2003 as MGM Wireless Limited, which developed the world's first SMS student absence notification platform for schools and went on to become Australia's most successful school messaging company. On 12 November 2020 the Company changed its name to Spacetalk Ltd.
