AUSTRALIAN SPACETALK GPS KIDS SMARTWATCH PHONE TO FEATURE AT SYDNEY GLOBAL WEARABLES CONFERENCE

HIGHLIGHTS

- Strong interest from Bricks and Mortar Retailers expected
- Today and tomorrow (7+8 December 2017)
- International WT | Wearables event in Sydney
- Australian Spacetalk Children's GPS smartwatch featured
- Event previously held in San Francisco, Bangalore, Hong Kong and Medica

7 December, 2017 – Technology company **MGM Wireless Limited (ASX:MWR)** ('MGM' or 'the Company') will be featuring its Australian Spacetalk Children's GPS Smartwatch Phone at this important global event held today and tomorrow (December 7 & 8) in Sydney.

Spacetalk is the first Australian all-in-one 3G GPS tracker, mobile phone and watch device. It allows parents to stay in constant communication with children and doesn't need to be connected to a phone. Spacetalk has been specifically developed to be used with the AllMyTribe family locator, child safety app and server platform, all part of the MGM Wireless product offering.

Launched 8 weeks ago, Spacetalk is being sold initially through the company's AllMyTribe website (www.allmytribe.com). Last week, the company reported weekly sales grew by 50% and 120% for the past 2 weeks. The company also reported that very importantly, customer feedback is very positive - Parents and Kids are happy and are telling their friends.

The Global event has attracted conference speakers including the Senior Sports Scientist for the US Olympic Committee, Phil Cheetham; former Adidas VP of Wearable Sport Electronics, Qaizar Hassonjee; Australian Ambassador for Singularity University, Kaila Colbin and many more. About MGM Wireless

MGM Wireless Limited (ASX:MWR) is a technology company designing, developing and commercialising Internet of Things (IoT) devices for children, and software for school communication and student absence management. The Company's AllMyTribe division has developed a wearable device called Spacetalk which allows two-way 3G communication, GPS tracking and alerts parents whenever children leave designated safe spaces such as school or the home.

MGM Wireless built its track record with school communication solutions after creating the world's first SMS based Automated Student Absence Notification Solution. It is recognised as a global leader and pioneer in socially responsible and technology-enabled school communications. Used by over 1,100 schools and 1.6 million parents, the Company's multichannel school communication solutions empower schools to effectively communicate to parents and caregivers through SMS, mobile in-app and other means to improve student attendance and safety, help schools reduce operating costs and increase parent engagement.

MGM Wireless products include student absence notifications 'messageyou', absence analytics software 'Watchlists', school news and messaging app 'School Star', a content management and messaging platform for mobile school communication called Outreach+, and student attendance management solution 'RollMarker'.
