ASX Announcement

MGM Wireless Limited (ASX:MWR)

30 October 2018

LEADING EDGE COMPUTERS GROUP
PREFFERED SUPPLIER AGEEMENT SIGNED WITH 120 STORES

Highlights:

- **Follows successful sales results from initial LEADING EDGE COMPUTERS Stores announced in July 2018.**
- **Preferred Supplier Agreement Signed covers all 120 LEADING EDGE COMPUTERS Stores.**
- **LEADING EDGE GROUP to promote SPACETALK to member businesses.**

30 October 2018 – Technology company **MGM Wireless Limited (ASX:MWR)** ('MGM' or 'the Company') today announced that it has signed a Preferred Supplier Agreement for its SPACETALK Children's all-in-one smartphone, watch and GPS wearable device with 120 LEADING EDGE COMPUTERS independent business and retailers across Australia.

The agreement follows positive SPACETALK sell through results from an initial group of 12 LEADING EDGE COMPUTERS stores which commenced stocking SPACETALK in July 2018.

Primarily in the regional areas, the shops are spread across Australia in the states of NSW, Victoria, Queensland, Western Australia, South Australia, Northern Territory and Tasmania. All are specialist IT and Computer resellers.

As an opening promotion, participating LEADING EDGE COMPUTERS stores will be provided in-store merchandising display stands and promotional materials to showcase and demonstrate SPACETALK.

About SPACETALK

SPACETALK is an all-in-one children's smartphone, watch and GPS device that allows parents and children to be in constant contact without exposing their kids to the dangers of social media apps, such as Facebook, Instagram, YouTube, Google and unrestricted access to the Internet.

It is the first of its kind to be wholly developed in Australia and one of the first worldwide. The child can make or receive calls from a list of contacts parents choose in the AllMyTribe® smartphone app. If the child needs help, a special SOS alert function can be customised to call parents and other guardians. Parents can see their child's location on their smartphone and the AllMyTribe App features alerts so whenever children leave designated safe spaces such as school or home, parents are notified. A step counter tracks the wearer's physical activity.

SPACETALK has been independently verified by leading international cyber security experts as "unhackable", and has world's best practice security and privacy features built in. It will also meet the upcoming European GDPR regulations. All data is hosted in Australia in highly secure data centres and protected by Australian Privacy and Data Security legislation, so security is assured.

ABOUT MGM

MGM Wireless Limited is a technology company designing, developing and wearable devices for children, and software for school communication and student absence management. The Company's AllMyTribe division has developed a wearable device called SPACETALK, which allows two-way 3G communication, GPS tracking and alerts parents whenever children leave designated safe spaces, such as school or the home.

MGM Wireless built its track record with school communication solutions after creating the world's first SMS based Automated Student Absence Notification Solution. It is recognised as a global leader and pioneer in socially responsible and technology-enabled school communications.

MGM Wireless products include student absence notifications 'messageyou', absence analytics software 'Watchlists', school news and messaging app 'School Star', a content management and messaging platform for mobile school communication called Outreach+, and student attendance management solution 'RollMarker'.

Used by over 1100 schools and 1.6 million parents, the Company's multichannel school communication solutions empower schools to effectively communicate to parents and caregivers through SMS, mobile in-app and other means to improve student attendance and safety, help schools reduce operating costs and increase parent engagement.
