EXECUTIVE DIRECTOR APPOINTMENT

MGM Wireless (ASX:MWR) is pleased to announce the appointment of Tara Lewis-Christie as an Executive Director.

Mrs Lewis-Christie has been with MGM Wireless since early 2010, where her current role is Chief Operating Officer. She first joined the Company as Assistant to the CFO, and then progressed to Company Accountant. She has also held a variety of other key senior management positions at MGM Wireless including Client Management, Inside Sales and Product Development.

With formal qualifications in Financial Management, prior to MGM Wireless, Mrs Lewis-Christie held management positions in the tourism, hospitality and food sectors.

Originally from Broken Hill and where she first started her career, at the age of 23, Mrs Lewis-Christie founded and operated a successful bookkeeping business for local companies where she won the prestigious Town Award for Business Person of the Year, 2009 – People's Choice Award. In the same year she was also nominated for Business Support Person of the Year.

Mrs Lewis-Christie is married and the mother of two primary school age children.

Mark Fortunatow, MGM Wireless CEO said:

"The Board is very pleased to have Mrs Lewis-Christie join the board. She is a proven performer with many personal achievements at MGM and a deep understanding of the company's business. Her appointment to the Board will further strengthen the company's management capability."

Mrs Lewis-Christie's total remuneration package is $110,572 excluding superannuation.

About MGM Wireless Ltd and Messageyou, LLC

MGM Wireless is recognized in Australia and internationally as a pioneer of socially responsible technology-enabled school communications with a proven track record to design, develop and successfully commercialise innovative world class technology products.

The company's patented SMS School communication solutions empower schools to effectively communicate to parents and caregivers using SMS text messaging to improve student attendance, welfare, safety and parent engagement. Measurable benefits for schools include reduced operating costs, increased productivity and improved parent and community engagement which ultimately improve student learning and social outcomes.

Schools in Australia and New Zealand use Messageyou software in their day to day operations.
