Mr Hall wished to sell these shares to: • Accrue funds for an estimated tax bill for last financial year, due to taking a significant portion of directors fees in shares and for the issue of shares for KPI payment • To accrue funds for the take up of assigned AGE loyalty options by the due date – hence approx. 60% of the sale proceeds will be returned to the Company as cash. Mr Hall intends to retain his remaining shares and will in the future continue to invest into the Company as and when possible.
