Battery Age Minerals Investor Webinar:

Newly listed battery materials explorer prepares to kick-off 2023 exploration campaign

Battery Age Minerals Ltd (ASX: **BM8**; "**Battery Age**" or "**the Company**") is pleased to advise that its CEO, Mr Gerard O'Donovan, will host a live investor webinar on Wednesday 15 February 2023 to discuss the Company's project portfolio and 2023 exploration program.

The Company's high-quality asset base includes the Falcon Lake Lithium Project, located in the Tier-1 Thunder Bay mining jurisdiction in north-western Ontario, Canada.

Mr O'Donovan will update investors on the Company's upcoming exploration programs and investment proposition.

The webinar will be held on Wednesday 15th February 2023 commencing at 9am AWST / 12pm AEDT.

Investors can register to join the webinar via the following link:
