ASX RELEASE

12 February 2026

Close Of Cleansing Prospectus Options Offer

The Company has closed the offer of 1,000 Cleansing Options exercisable at $0.006 each on or before 31 December 2026, which were offered under a Prospectus dated 9 February 2026. These options have identical terms to the Company's existing class of $0.006 31 December 2026 unquoted options. Following the issue of the 1,000 new options there are now 274,762,059 options on issue (**Options**).

The Company now intends to make application to ASX for quotation of the Options. ASX have still to make a determination as to whether the Company has satisfied the quotation conditions in relation to the Options and we will advise the market further in that regard shortly.
