ASX ANNOUNCEMENT

23 November 2026

Additional Funding under Loan Facility and Proposed Issue of Convertible Notes

HITIQ Limited (ASX: HIQ) (**HIQ** or the **Company**) refers to its announcement of 16 April 2026 regarding the receipt of a $1M loan from No Bull Health Pty Ltd, an associate of Harmil Angel Investments Pty Ltd a substantial shareholder of the Company (collectively **Harmil**) and advises that Harmil and the Company are in advanced discussions regarding additional funding of approximately $2.5M under the loan facility on the same terms as the existing loan (**Loan**).

In anticipation of the finalisation of the Loan, an initial $550,000 of the Loan has been advanced to the Company to provide near-term working capital support. The Loan is being made on the basis that it is intended to be repaid by an issue of convertible notes to Harmil, subject to obtaining the necessary shareholder and regulatory approvals.

The Company intends to convene an extraordinary general meeting of shareholders in the coming months to seek the required shareholder approvals for the issue of the convertible notes to Harmil (**EGM**). Full details of the proposed transaction, including the final terms of the convertible notes, will be set out in the notice of meeting.

The funds received under the Loan will be applied towards the Company's working capital requirements and ongoing business operations.

HITIQ's Executive Chair, Earl Eddings said, "We are pleased to have the continued support of Harmil at an important time in HITIQ's development. This additional funding provides greater financial flexibility as we remain focused on disciplined execution and advancing the commercial opportunities in front of the Company."

Adam MacDougall, founder of Harmil Angel Investments, said: "Harmil has backed HITIQ because we believe in the technology, the team and the commercial potential of the business. We are encouraged

by the progress being made and see a clear opportunity for HITIQ as it moves into its next stage of growth."

About PROTEQT™

PROTEQT™, co-developed with Shock Doctor, is HITIQ's concussion management and athlete safety solution that delivers real-time head impact data through an instrumented mouthguard and analytics platform.

SCHEDULE – KEY LOAN TERMS

Term	Description
Loan Amount	Initial drawdown of $550,000, with the full value of the increased facility to be determined.
Termination Date	6 months after execution.
Interest	12.50% per annum with minimum interest amount of $100,000 on the total facility.
Repayment	Subject to receipt of shareholder and regulatory approvals, the Loan amount and accrued interest will be repaid by the issue of convertible notes. Absent such approval the Loan and any accrued interest will be repayable in cash at or before the Termination Date.
Terms of convertible notes	The convertible notes are proposed to have substantially the same terms and conditions as the convertible notes currently held by Harmil (see Schedule 1 of the Company's Notice of General Meeting released to ASX on 8 January 2026).
Security	To be secured on substantially the same terms as the security for the existing convertible notes, with a general security deed over all the assets of the Company. The grant of the security will be subject to receipt of shareholder and regulatory approvals, and the Loan is unsecured until then.

The final terms of the convertible notes and security will be set out in the notice of the extraordinary general meeting at which shareholder approval for the issue of the convertible notes is sought.
