DOUGAL MUNRO:

Vertex Minerals Ltd (**ASX:VTX**, **Vertex** or **Company**) is pleased to announce the appointment of Dougal Munro as Senior Project Geologist. Dougal is an experienced hard rock, precious & base metals exploration and resource development geologist. Based in Orange, NSW, Dougal is a local with ~20 years of hands-on exploration and project experience in the Lachlan Fold Belt. Additional geological experience includes, Pine Creek Orogen (NT), Broken Hill (NSW) & Mt Isa Blocks (QLD). Dougal has worked on various polymetallic mineral prospects/deposits, near mine resource development projects and open cut and underground mines including Cadia Valley Au±Cu-Mo Porphyry system, Epithermal Au-Ag, Broken Hill REE Pegmatites, McPhillamys Au-Zn, CSA Copper Mine & Peak Gold Mine - Cobar Style Au-Cu & Cu-Pb-Zn±Ag, Lewis Ponds Silurian VHMS Pb-Zn-Ag±Au, Granite hosted Sn, Frances Creek & Rum Jungle Hydrothermal Fe-Mn as well as Industrial & Bulk Mineral deposits. Dougal will progress resource definition principally Hill End, Red Hill and Hargraves as well as generating additional exploration targets.

Commenting on the appointment, Vertex Technical Director, Tully Richards said:

"I'm really happy to welcome Dougal to the growing Vertex team as we look forward to a busy resource development and exploration campaign during 2022. I am also pleased to be welcoming Tara Weall as Geological Field Technician. There are plenty of opportunities to expand the Company's resource base and it is important to have good people involved"

This announcement has been approved by the Board of Vertex Minerals Limited.

2012 JORC-compliant Mineral Resources

	Classification	Tonnes (t)	Grade (Au g/t)	Contained oz
Hargraves	Indicated	1,108,651	2.7	97,233
	Inferred	1,210,335	2.1	80,419
Sub-Total		2,318,986	2.4	177,652
Red Hill	Indicated	413,000	1.4	18,600
	Inferred	1,063,000	1.8	61,400
Sub-Total		1,475,000	1.7	80,000
	Indicated	1,521,651	2.35	115,833
Combined Total	Inferred	2,273,335	1.96	141,819
		3,791,986	2.11	257,653

Hargraves: 0.8 g/t reporting cut-off ASX Announcement 29 May '20

Red Hill: 0.5 g/t per block, ordinary kriging grade interpolation, classified Mineral Resources limited to 160mRL below surface. ASX announcement 30 Nov 2015: ASX announcement Nov '15

Competent Persons Statement

The information in this report that relates to Exploration Results and Exploration Targets is based on information compiled by Mr. Roger Jackson, a Director and Shareholder of the Company, who is a 25+ year Fellow of the Australasian Institute of Mining and Metallurgy (FAusIMM) and a Member of Australian Institute of Company Directors. Mr. Jackson has sufficient experience which is relevant to the style of mineralisation and type of deposits under consideration and to the activity which he is undertaking to qualify as a Competent Person as defined in the 2012 Edition of the "Australasian Code for Reporting of Exploration results, Mineral Resources and Ore Reserves". Mr. Jackson consents to the inclusion of the data contained in relevant resource reports used for this announcement as well as the matters, form and context in which the relevant data appears.

Forward Looking Statements and Important Notice

This report contains forecasts, projections and forward-looking information. Although the Company believes that its expectations, estimates and forecast outcomes are based on reasonable assumptions it can give no assurance that these will be achieved. Expectations and estimates and projections and information provided by the Company are not a guarantee of future performance and involve unknown risks and uncertainties, many of which are out of Vertex Minerals' control.

Actual results and developments will almost certainly differ materially from those expressed or implied. Vertex Minerals has not audited or investigated the accuracy or completeness of the information, statements and opinions contained in this announcement. To the maximum extent permitted by applicable laws, Vertex Minerals makes no representation and can give no assurance, guarantee or warranty, express or implied, as to, and takes no responsibility and assumes no liability for the authenticity, validity, accuracy, suitability or completeness of, or any errors in or omission from, any information, statement or opinion contained in this report and without prejudice, to the generality of the foregoing, the achievement or accuracy of any forecasts, projections or other forward looking information contained or referred to in this report.

Investors should make and rely upon their own enquiries before deciding to acquire or deal in the Company's securities.
