ASX Release
MGM Wireless Ltd

23 September 2015

MGM Wireless advises that Chairman and CEO, Mr Mark Fortunatow, has sold 32,915 shares held in an indirect interest. The attached Appendix 3Y reflects this sale of shares.

The Appendix 3Y discloses the sale of 5,923 shares on 8 September 2015. MGM Wireless acknowledges that the notification to ASX of the on-market trade which occurred on 8 September 2015 is not in accordance with the requirements prescribed by ASX Listing Rule 3.19A.2, which stipulates that notice must be given to ASX no more than 5 business days after the change occurs. ASX was notified (on 8 September) of on-market trades which occurred on 2 and 7 September, 2015, however the 8 September on-market trade was overlooked in that notification due to an administrative oversight.

MGM Wireless would like to confirm that it has appropriate procedures and processes in place in respect of its disclosure obligations under ASX Listing Rule 3.19A. In accordance with the Company's Share Trading Policy, a director that deals in MWR shares is required to confirm the dealing and the relevant details of the dealing in writing to the relevant officer within 2 business days after the dealing.

About MGM Wireless Ltd and Messageyou, LLC

MGM Wireless is recognised in Australia and internationally as a pioneer of socially responsible technology-enabled school communications with a proven track record in designing, developing and successfully commercialising innovative world class technology products.

The company's patented SMS school communication solutions empower schools to effectively communicate to parents and caregivers using SMS text messaging to improve student attendance, welfare, safety and parent engagement. Measurable benefits for schools include reduced operating costs, increased productivity and improved parent and community engagement, which ultimately improve student learning and social outcomes.

Schools in Australia and New Zealand use Messageyou software in their day to day operations.
