Aurrigo International plc

Partnership Agreement with Aviation Solutions B.V. (part of Schiphol Group)

Aurrigo International plc (AIM: AURR, the "Company" or "Aurrigo"), a leading international provider of transport technology solutions, has signed a formal partnership agreement with Aviation Solutions B.V. ("AS"), a department within Royal Schiphol Group, to support the roll-out of Aurrigo's autonomous solutions to the global aviation sector.

The multi-year partnership with AS provides an opportunity to demonstrate the Auto-DollyTug® baggage vehicle and Auto-Sim® aviation operations simulation software at Amsterdam Airport Schiphol in a bid to engage with other airports and stakeholders.

Aurrigo currently has partnership agreements in place with Changi Airport Group and the International Airlines Group (IAG).
