Nativo Resources PLC

("Nativo" or the "Company")

Appointment of Joint Broker

Nativo Resources PLC (LON: NTVO), the precious metals company with gold mining and processing interests in Peru, announces the appointment of Hybridan LLP ("Hybridan") as Joint Broker with immediate effect.

Stephen Birrell, Chief Executive Officer of Nativo, commented:

"We are very happy to be working with Hybridan in their role as Joint Broker. Hybridan's appointment comes at an important time as we look to build on our recently announced maiden JORC exploration target at Tesoro, and framework agreement with Kuboc for expansion opportunities, to become an integrated gold producer in Peru. Hybridan's enhanced research-led approach and strong institutional distribution network will be valuable additions to the platform we are building."

About Nativo Resources plc

Nativo has interests in gold projects in Peru. The Company's strategy is based on three core activities: primary gold mining, gold ore processing, and the recovery of gold from tailings. The Company has already acquired or optioned several projects for development and has identified additional opportunities for expansion. Nativo's nearest-term objective is to scale operations on the Tesoro Gold Concession, focusing on the Bonanza and Morrocota mines.
