IntelliAM launches new interactive investor hub

to provide shareholders with a more proactive way of communication and enquiry support

IntelliAM AI (AQSE: INT) announces the launch of our interactive investor hub. For both existing and prospective shareholders, the new investor hub brings all IntelliAM content into a single integrated platform to better inform and engage with investors and stakeholders, including:

- Regulatory announcements
- Reports & Presentations
- Educational material
- Interviews
- Corporate research

The investor hub also provides an interactive online experience allowing the IntelliAM stakeholders to comment on and ask the IntelliAM team questions via a portal which will be monitored and responded to in a timely manner.

How to sign up for the IntelliAM investor hub:

1. Visit https://int-aq.investorhub.com/
2. Follow the prompts to sign up for an investor hub account
3. Complete your account profile

Tom Clayton, Chief Executive Officer, commented:

"Since our IPO in 2024, IntelliAM has moved at pace - upgrading to the Apex segment of the Aquis Growth Market, expanding into the US, growing our customer base across FMCG and building products, and continuing to develop our platform. There is a lot happening, and it is happening quickly.

That momentum creates a responsibility: to keep our shareholders informed, engaged and genuinely connected to our progress. Our new Investor Hub is our commitment to doing exactly that - a dedicated destination where the market can access our news, strategy and performance in real time. We see it as the foundation of a stronger, more transparent relationship with our investors: one built on openness, trust and a shared belief in what IntelliAM can achieve."
