ABOUT QUICKFEE

QuickFee (ASX: QFE) is a market leader in the high-margin, B2B fee-funding industry for accounting and legal professionals across Australia and the United States. Our mission is to help professional service firms get paid faster.

Since 2009, QuickFee has been transforming how accounting and legal firms manage cash flow by offering flexible financing options that meet the needs of our firms and their clients. QuickFee ensures firms are paid on time while giving their clients the flexibility to access our firms' services. Through the QuickFee platform, firms can offer clients multiple secure online payment options - including payment plans over 3-12 months - allowing clients to pay at their own pace while firms receive payment upfront and in full.

QuickFee operates a mature, profitable business in Australia with steady growth and a rapidly expanding loan book in legal disbursement funding for personal injury firms. In the United States, QuickFee has an established business with significant opportunity to accelerate its proven growth and strengthen its leadership in lending to accounting firms, supported by a new reseller agreement with a major payments provider.

QuickFee's scalable business model requires minimal ongoing product development and capital expenditure. Backed by an experienced Board and management team with strong investor alignment, QuickFee is well-positioned for continued growth and long-term value creation.
