Dalaroo Metals Partners with Investor Hub to Strengthen Investor Engagement

Dalaroo Metals Ltd (**ASX: DAL**) ('Dalaroo' or the 'Company') is pleased to advise that it has joined Investor Hub, a leading direct-to-investor engagement platform that enables listed companies to build more interactive, transparent and timely relationships with shareholders.

This initiative forms part of Dalaroo's broader commitment to improving investor communication, accessibility and market transparency, ensuring shareholders have streamlined access to reliable and up-to-date information as the Company advances its exploration and development programs.

Through its dedicated Investor Hub page, shareholders and prospective investors will be able to access:

- ASX announcements and company news
- Exploration and project updates
- Management commentary and interviews
- Educational and technical insights
- Corporate presentations and key strategic information

The platform will serve as a central source of information as Dalaroo continues to progress its flagship **Blue Lagoon Rare Earths Project in Greenland**, the **Reflex Gold Project in Côte d'Ivoire**, and its broader portfolio of gold and critical minerals assets in **Western Australia**.

Investor Hub will also enable two-way engagement, allowing shareholders to submit questions directly to the Company and participate in ongoing discussions through the platform's interactive Q&A function. Dalaroo intends to regularly upload fresh content, including exploration updates, technical insights and management briefings, to keep investors informed of progress and upcoming milestones.

CEO Comment

Dalaroo Metals Chief Executive Officer, **John Morgan**, commented:

"Clear, consistent and transparent communication with our shareholders is a core priority for Dalaroo. As we advance multiple exploration programs across gold and critical minerals, it is important that investors have direct access to timely information and the opportunity to engage with our team.

Joining Investor Hub provides a modern and interactive channel to strengthen those connections and ensures our growing shareholder base can stay informed as we deliver exploration results, project milestones and value-creating activities across our portfolio."
