New Opportunities

During the quarter the Company reviewed a number of opportunities in both the resource and non-resource sectors.

The Company is currently investigation an opportunity to collaborate with Deakin University and Unisono Pty Ltd as outlined below.

Collaboration Agreement in Relation to an Intelligent and Extensible IOT Platform

The Company is currently investigating an opportunity (the Investigation) to collaborate with Deakin University and Unisono Pty Ltd, to launch Australia's first IoT (Internet Of Things) Centre of Excellence, to be located at the Burwood Campus of Deakin University (the Project).

The Centre of Excellence is expected to be a hub for innovation, research and commercialisation of Artificial Intelligence driven IoT technologies in Australia with an initial focus on smart building services in the booming aged care sector. Unisono is a private company, which has been established to commercialise research arising from the collaboration.

Deakin University is a major shareholder of Unisono and research staff at the University will be undertaking the development work on the Project under a Research Framework Agreement. Deakin University is a market leader in this type of research.

The Investigation will consider factors including but not limited to the completion of initial work that demonstrates a proof of concept or minimum viable product. Unisono and the University have agreed to collaborate in relation to the Project and a potential funding solution with the Company on an exclusive basis from the date of execution of this letter agreement until 5pm (Perth time) on 5 January 2017 unless otherwise extended by the parties. Any funding solution may be subject to compliance with Listing Rules 11.1.2 and 11.1.3.

Notes

1 The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.

2 The "Nature of interest" (items 6.1 and 6.2) includes options in respect of interests in mining tenements acquired, exercised or lapsed during the reporting period. If the entity is involved in a joint venture agreement and there are conditions precedent which will change its percentage interest in a mining tenement, it should disclose the change of percentage interest and conditions precedent in the list required for items 6.1 and 6.2.

3 **Issued and quoted securities.** The issue price and amount paid up is not required in items 7.1 and 7.3 for fully paid securities.

4 The definitions in, and provisions of, *AASB 6: Exploration for and Evaluation of Mineral Resources* and *AASB 107: Statement of Cash Flows* apply to this report.

5 Accounting Standards ASX will accept, for example, the use of International Financial Reporting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
