REQUEST FOR VOLUNTARY SUSPENSION

The Directors of Trek Metals Limited, (the “Company” or “Trek”, ASX Code: TKM) refer to the request for a Trading Halt in the Company’s securities sent to ASX on Thursday, 13 July 2017. The Trading Halt was requested pending the release of an announcement by the Company in relation to a capital raising and was intended to be lifted at the commencement of trading on Monday 17 July 2017.

The Company requires additional time to complete the announcement regarding the capital raising and therefore requests a Voluntary Suspension.

As required by ASX Listing Rule 17.2, Trek provides the following information:

- The Voluntary Suspension is sought so that the Company can manage its continuous disclosure obligations by lodgment of a full ASX release regarding the capital raising;
- The Voluntary Suspension is sought until the earlier of the commencement of trading on Thursday, 20 July 2017 or when the announcement is released to the market;
- It is expected that the Voluntary Suspension will end at the earlier of the commencement of trading on Thursday, 20 July 2017 or when the announcement is released to the market;
- The Company is not aware of any reason why the Voluntary Suspension should not be granted; and
- The Company has no other information necessary to inform the market about the Voluntary Suspension.

Yours sincerely,

Nerida Schmidt
Joint Company Secretary
