**Nativo Resources Plc**

("Nativo" or the "Company")

**Issue of Shares and Total Voting Rights**

Nativo Resources plc (LON: NTVO), which is focused on near-term gold mining and processing projects in Peru, announces, further to the announcement this morning, that it has now issued the 120,000,000 new ordinary shares of nominal value £0.0015 in the capital of the Company to Axis Capital Markets Limited under the At the Market Facility ("ATM Shares').

Application has been made to the London Stock Exchange for the ATM Shares to be admitted to trading on AIM ("Admission") and it is expected that such Admission will take place at 8:00a.m. on or around 10 April 2026.

In accordance with the provision of the Disclosure Guidance and Transparency Rules of the Financial Conduct Authority, the Company confirms that, following the issue of the above ATM Shares, its issued Ordinary share capital will comprise 803,680,975 Ordinary Shares. All the Ordinary Shares have equal voting rights and none of the Ordinary Shares are held in Treasury. The total number of voting rights in the Company will therefore be 803,680,975. The above figure may be used by shareholders as the denominator for the calculations to determine if they are required to notify their interests in, or a change to their interest in, the Company.

**About Nativo Resources plc**

Nativo has interests in gold projects in Peru. The Company's strategy is based on three core activities: primary gold mining, gold ore processing, and the recovery of gold from tailings. The Company has already acquired or optioned several projects for development and has identified additional opportunities for expansion. Nativo's nearest-term objective is to scale operations on the Tesoro Gold Concession, focusing on the Bonanza and Morrocota mines. Nativo may allocate portions of free cash flow from mining and processing activities and future fundraises to Bitcoin purchases, and may consider holding Bitcoin as a long-term treasury reserve asset.
