About Nativo Resources Plc

Nativo aims to establish itself as a vertically integrated gold mining and processing business in Peru. The Company's strategy is based on developing three core activities: primary gold mining, gold ore processing, and the recovery of gold from tailings. The Company has already acquired or optioned several projects for development and has identified additional opportunities for expansion. Nativo's nearest-term objectives are to establish gold production and develop La Patona Gold Ore Processing Plant to process Nativo's own and third-party material.
