## **SPIRIT TELECOM ANNOUNCES COMPLETION OF ACQUISITION OF BUILDING CONNECT**

Spirit Telecom Limited ("Spirit" ASX:STI) is pleased to announce that it has today completed the acquisition of Sydney based Internet Service Provider (ISP) Building Connect. This acquisition will provide significant opportunity for Spirit to continue to expand its fixed wireless network in Sydney, enabling more businesses in Australia's fastest growing economic region of Western Sydney to access its high-speed Sky-Speed Internet range.

As described in an earlier announcement, Building Connect will extend Spirit's network across 31 buildings/business parks, servicing 200 business customers and provide immediate geographic expansion into Western Sydney.

Spirit's Managing Director, Geoff Neate, said "Building Connect has satisfied all of it's conditions for sale in a quicker than expected timeframe, allowing us to settle and get on with growing Spirit."

Building Connect CEO, Paul Julian has joined the Spirit team as Network Infrastructure Manager - NSW and will commence working on expanding the Sydney network, including the recently acquired LinkOne Sydney network.

### **About Spirit**

Internet Service Provider, Spirit Telecom Limited (Spirit), is Australia's leading alternative to the NBN, providing super-fast Internet speeds through the air, ensuring over 8,000 businesses and residential customers can stream, game, work and connect without disruption.

The ASX listed (STI) company owns its advanced fixed wireless network, delivering symmetrical speeds of up to 1Gbps for business and 500Mbps to residential consumers - that's over 16 times quicker than the national average. It's the Internet that Australia deserves.

Spirit is built on an ethos of being different to be better. Its fixed wireless network delivers super-fast Sky-Speed Internet to end users in the three biggest cities across Australia's East Coast. Additionally, it offers a range of cloud solutions and unified communications services.

Spirit provides industry-leading services and is continually expanding to meet demand, both organically and through acquisitions, which have recently included LinkOne Group (QLD, NSW & VIC), World Without Wires (QLD), Phone Names (NSW), My Telecom (VIC) and Voxcom (VIC). With these companies on board, Spirit is prepared for future growth that is powered by its super-fast Internet.
