QuickFee Limited announces appointment of Chief Financial Officer

QuickFee Limited (ASX: QFE) ("QuickFee" or the "Company") is pleased to announce the commencement of Mr Peter Zarin as Chief Financial Officer (CFO).

Mr Zarin joins as a senior executive, supporting the Company's aggressive growth plans. Reporting to CEO Bruce Coombes, he will lead the Company's financial operations, including the strategic planning, budgeting, financial reporting and treasury functions, and he will support Bruce in communications with shareholders and the broader investor community.

This appointment follows QuickFee's listing on the ASX in July 2019, and comes off the back of strong growth in QuickFee's operations.

Commenting on the appointment, Bruce Coombes said: *"We are delighted to have appointed Peter to the QuickFee team. Peter brings with him significant experience in several senior financial roles, which will add valuable expertise and rigour to QuickFee as it continues on its growth trajectory."*

Mr Zarin is a CPA with over 15 years of management experience in the media, telecommunications, technology and start-up sectors both in the UK and Australia. Mr Zarin brings eight years' experience in senior finance roles within ASX businesses and two years in the B2B SaaS industries, where he has been responsible for financial strategy, financial reporting and risk management.

About QuickFee Limited

QuickFee Australia was founded in March 2009 and developed a unique payment gateway for Australian accounting and law firms allowing them to accept monthly payment plans where clients of professional services firms obtain finance online from QuickFee to facilitate payments to the firm in full.

Following the success of QuickFee Australia, QuickFee was established in the US in 2016 as a separate operating entity to pursue opportunities in the much larger market in the USA where no direct competitor exists.

In July 2019, QuickFee Australia and QuickFee US became wholly owned by QuickFee Limited and completed an IPO on the ASX.
