Cleansing Notice

20 May 2020

On 14 May 2020, Atomos Limited ACN 139 730 500 (ASX: AMS) (**Atomos** or the **Company**), announced a placement of new fully paid ordinary shares (**Shares**) to professional and sophisticated investors to raise $10.9 million. Atomos has today issued 24,265,000 Shares under the Placement, which rank equally with all other Shares on issue.

The Company hereby notifies ASX under paragraph 708A(5)(e) of the Corporations Act (Act) that:

(a) the Company issued the Shares without disclosure to investors under Part 6D.2 of the Act;

(b) as at the date of this Notice, the Company has complied with:

   a. the provisions of Chapter 2M of the Act as they apply to the Company; and

   b. section 674 of the Act; and

(c) as at the date of this Notice, there is no information that is 'excluded information' within the meaning of sections 708A(7) and 708A(8) of the Act.

This notice and its release on the ASX has been authorised by the Board of Atomos Limited.

About Atomos:

Atomos is a global video technology company delivering award-winning, simple to use monitor-recorder content creation products. These products give content creators across the rapidly growing social, pro-video and entertainment markets a faster, higher quality and more affordable production system.

Atomos' range of products take images directly from the sensor of all major camera manufacturers, then enhance, record and distribute them in high-quality formats for content creation using the major video editing software programs. Since being founded in 2010, Atomos has established strategic relationships with key technology providers within the ecosystem including Apple, Adobe, Sony, Canon, Panasonic, Nikon and JVC Kenwood.

Atomos is based in Australia with offices in the USA, Japan, China, UK and Germany and has a worldwide distribution partner network.
