Interview on Financial News Network

INVESTIGATOR RESOURCES LIMITED (ASX code: IVR) provides the opportunity to view an interview with Managing Director Mr John Anderson.

The key messages are that Investigator is:-

- a first mover in an emerging mineral belt with prospective ground, an in-house data set and knowledge from the Paris discovery to build on;
- targeting the immediate extensions to Paris covering a further 8 kilometres of prospective strike;
- seeking to raise $5 million in a rights issue to fund over 28,000 metres of drilling to test multiple targets around Paris and in other new fields in the emerging belt.

To view the interview, copy the following details into your web browser:
