Spacetalk Ltd. (ASX: SPA)
5 January 2021

Spacetalk to showcase at CES

Highlights

- **Spacetalk to attend CES, the most influential tech event in the world**
- **Held in Las Vegas, USA, in 2021 the event will be an all-digital experience**
- **Planned meetings with senior executives of global partners, distributors and mobile network operators**

Spacetalk Ltd. (ASX:SPA) ("Spacetalk" or "the Company"), developer of innovative technologies that keep families safe and connected, will be showcasing a digital exhibition of our Company and products at the CES event to be held digitally from 11-14 January 2021.

The CES event (http://www.ces.tech), hosted by the Consumer Technology Association, is widely regarded as one of the world's largest and most significant consumer technology events, attracting the largest consumer technology brands and the world's leading technology media and investors.

In addition to showcasing the Spacetalk suite of all-in-one smartphone GPS watches and app, representatives of Spacetalk will be using the event to meet with and advance discussions with senior executives from a range of potential global partners, distributors and media content providers, with a particular focus on progressing our planned entry into the US later in the year.

Spacetalk CEO Mark Fortunatow said: "With the successful recent launch of Spacetalk Adventurer, our next generation 4G kids smartphone GPS watch, and new Spacetalk App, now is the right time to be showcasing our suite of products at CES. The breadth and quality of global attendees at CES presents a unique opportunity to also meet with parties capable of progressing several of our business growth and product development initiatives, including our go-to-market strategy for the US."

This announcement has been authorized by Spacetalk CEO Mark Fortunatow.

About Spacetalk Ltd.

Spacetalk Ltd. (ASX: SPA) is a global technology provider of secure communication solutions for families to stay connected and protected.

Spacetalk's range of all-in-one smartphone GPS watches for children (Spacetalk Kids and Spacetalk Adventurer) and seniors (Spacetalk Life) are purpose built with tailored features, design qualities and best practice data encryption, security and privacy technologies, for families to stay confidently connected. Fun, fashionable, secure and technologically advanced, Spacetalk devices deliver confidence for the child and senior wearer, enhanced controls for the guardian, and engaging functionalities for the whole family to stay connected.

The Spacetalk App is designed to provide a family environment for fun, engaging and secure media consumption beyond its device control functionalities for the guardian. Every linked contact – parents, grandparents, extended family members and friends – regardless of whether they are Android or iOS users, can interact with linked Spacetalk devices and each other through the Spacetalk App.

Spacetalk was founded in 2001 and listed on the ASX in 2003 as MGM Wireless Limited, which developed the world's first SMS student absence notification platform for schools and went on to become Australia's most successful school messaging company. On 12 November 2020 the Company changed its name to Spacetalk Ltd.
