However, a vote may be cast by a KMP or a closely related party if:

- the vote is not cast on behalf of a KMP or a closely related party of a KMP;

or

- the proxy is the chair of the meeting and the appointment of the Chairman as proxy does not specify the way the proxy is to vote on the resolution;

- the vote is not cast on behalf of a KMP or a closely related party of a KMP.

Shareholders who intend to appoint the Chairman of the meeting as proxy (including an appointment by default) should have regard to the important information below under the heading "Important information concerning proxy votes on Resolutions 3 and 4".

Voting Exclusion

In accordance with Section 250BD of the Corporations Act, a person appointed as a proxy must not vote, on the basis of that appointment, on these resolutions if:

- the proxy is either a:
  - member of the Company's KMP; or

- the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Shareholders who intend to appoint the Chairman of the meeting as proxy (including an appointment by default) should have regard to the important information below under the heading "Important information concerning proxy votes on Resolutions 3 and 4".

Explanatory memorandum

Shareholders are referred to the Explanatory Memorandum accompanying and forming part of this Notice of Meeting.

Entitlement to Vote

Snapshot time

It has been determined (in accordance with Corporations Regulations 7.11.37) that for the purposes of the Meeting, shares will be taken to be held by the persons who are the registered shareholders at 7.00 p.m. (Melbourne time) on Monday 24 October 2016. Accordingly, share transfers registered after that time will be disregarded in determining entitlements to attend and vote at the meeting.

Important information concerning proxy votes for Resolutions 3 and 4

The Corporations Act places certain restrictions on the ability of KMP and their closely related parties to vote on the advisory resolution to adopt the Company's remuneration report and resolutions connected directly or indirectly with the remuneration of the Company's KMP. KMP of the Company are the directors of the Company and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. Members of KMP include directors (both executive and non-executive) and certain senior executives. The Remuneration Report identifies the Company's KMP for the financial year ended 30 June 2016. Their closely related parties are defined in the Corporations Act, and include certain members of their family, dependants and companies they control.

For these reasons, shareholders who intend to vote by proxy should carefully consider the identity of their proxy and are encouraged to direct their proxy as to how to vote on all resolutions. In particular, shareholders who intend to appoint the Chairman of the meeting as their proxy (including an appointment by default) are encouraged to direct the Chairman as to how to vote on all resolutions. The Chairman of the meeting intends to vote undirected proxies in favour of each of the Resolutions 3 and 4.

If you do appoint the Chairman as your proxy but you do not direct the Chairman how to vote in respect of Resolutions 3 and 4, your election to appoint the Chairman as your proxy will be deemed to constitute an express authorisation by you directing the Chairman to vote your proxy in favour of each of Resolutions 3 and 4 (unless you have exercised your right to direct the Chairman otherwise in respect of a particular Resolution

Business

by marking the 'against' or 'abstain' column in respect of any of the relevant resolutions). This express authorisation acknowledges that the Chairman may vote your proxy even if he or she has an interest in the outcome of Resolutions 3 and 4 and even if the Resolutions are connected directly or indirectly with remuneration of a member of the KMP of the Company and accordingly your votes will be counted in calculating the required majority if a poll is called.

Voting by Proxy

Sections 250BB and 250BC of the Corporations Act apply to voting by proxy. Shareholders and their proxies should be aware of the requirements under the Corporations Act, as they will apply to this meeting. Broadly:

- if proxy holders vote, they must cast all directed proxies as directed; and,
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

You should seek professional advice if you need any further information on this issue.

In accordance with section 249L of the Corporations Act, members are advised of the following:

- A shareholder entitled to attend and vote has a right to appoint a proxy to attend and vote instead of the shareholder. A proxy need not be a shareholder and can be either an individual or a representative of a body corporate.
- A proxy need not vote on a show of hands, however if a proxy does vote on a show of hands, the proxy must vote as directed.
- A shareholder entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise half of the shareholder's votes. If a shareholder appoints two or more proxies that specify different ways to vote on a resolution, none of the proxies may vote on a show of hands.
- If an appointed proxy is not also the Chairman of the meeting, the proxy need not vote on a poll, however if the proxy does vote on a poll the proxy must vote as directed by the shareholder. If a poll is conducted and the proxy holder does not vote, the proxy appointment defaults to the Chairman of the meeting to vote as directed. If the appointed proxy is the Chairman of the meeting, the proxy must vote on a poll in the manner directed by the shareholder.

A Proxy Form accompanies this Notice and to be effective must be received at least 48 hours before the appointed time of the meeting at the Company's corporate registry:

For an appointment to be effective for the Meeting, the instrument effecting the appointment (or a certified copy of it) must be received by the Company at its registered office or at the Company's corporate registry listed above, at least 48 hours before the Meeting.

Corporate Representatives

A body corporate which is a member, or which has been appointed as a proxy, may appoint an individual to act as its representative at the Meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should bring to the Meeting evidence of their appointment, including any authority under which it is signed, unless it has previously been given to the Company.

Scrutineer

The Company's external Auditor, Wise Lord & Ferguson will act as scrutineer for any polls that may be required at the meeting.

The Directors recommend that shareholders read this Explanatory Memorandum carefully before making any decision in relation to the resolutions.

Item 2 – Election of Directors

Pursuant to section 61 of the Constitution, Director Brian Bissaker was appointed to a casual vacancy on 1 May 2016 and as such may only hold office until the end of the next Annual General Meeting. Mr Bissaker, being eligible to do so, offers himself for re-election.

Pursuant to section 62 of the Constitution, retiring Directors Robert Gordon and Sarah Merridew being eligible to do so, have offered themselves for re-election.

The resolutions set out in Item 2 of the Notice of Meeting seek shareholder approval of the re-election of each of these candidates.

Details of Candidates

Details of the candidates standing for re-election are as follows:

Brian Bissaker
BEc, FCA

Mr Bissaker was CEO of Virgin Money Australia and a group executive of Bank of Queensland, after leading the team that acquired Virgin Money for the bank. Prior to this, he spent 10 years with Commonwealth Bank, including six years as CEO of Colonial First State which had funds under management of $70 billion. During this time he was also a director and deputy chairman of the Financial Services Council. Earlier, he held senior management positions with BT Funds Management and KPMG.

He is currently an adjunct professor of management education at University of Sydney Business School.

Mr Bissaker holds a Bachelor of Economics from the University of Sydney and is a Fellow of the Institute of Chartered Accountants.

He is a member of MyState Limited Board's Group Audit Committee and Group Risk Committee.

She is the Chair of MyState Limited Board's Group Risk Committee and a member of the Group Technology Committee.

Re-election Recommendation

Mr Bisskaer, Mr Gordon and Mrs Merridew have been endorsed by the Board for re-election at this meeting.

The Directors (excluding, in respect of each resolution, the retiring Director) recommend supporting the re-election of the Directors standing for re-election. The Directors make this recommendation on the basis of their review of the performance of the Directors, which was carried out in accordance with the Board's governance policies.

Explanatory Memorandum

Voting

To be successfully re-elected as a Director, a candidate must receive more votes 'For' than 'Against'.

The Chairman of the meeting intends to vote undirected proxies in favour of the re-election of Brian Bissaker, Robert Gordon and Sarah Merridew.

Item 3 – Remuneration Report

Shareholders are asked to adopt the Company's Remuneration Report. The Remuneration Report is in the 2016 Annual Report which is available on the Company's website at www.mystatelimited.com.au.

The Remuneration Report:

- Describes the policies behind and structure of, the remuneration arrangements of the Company and the link between the remuneration of employees and the Company's performance;
- Sets out the remuneration arrangements in place for each Director and for specified senior executives of the Company; and
- Explains the differences between the basis for remunerating non-executive directors and executives, including any executive directors.

The Corporations Act requires the agenda for an Annual General Meeting to include a resolution that the Remuneration Report be put to the vote. Should 25% or more of the votes cast on this resolution (votes cast in person or by proxy) to approve the Remuneration Report be against approval of that report, then at the 2017 Annual General Meeting the resolution to approve next year's Remuneration Report must be approved by more than 75% of the votes cast to avoid a resolution being put to the 2017 Annual General Meeting to hold a further general meeting within 90 days to consider a spill of the Board.

A reasonable opportunity for discussion of, and comment on, the Remuneration Report will be provided by the Chairman at the Annual General Meeting.

Resolution Recommendation

Noting that each Director has a personal interest in his or her own remuneration from the Company as set out in the Remuneration report, the Directors recommend that shareholders vote in favour of the resolution to adopt the Remuneration Report.

Item 4 – Approval of Managing Director's participation in the Executive Long Term Incentive Plan (ELTIP)

Introduction

The Company seeks approval for Mr Sulicich's participation in the ELTIP for 2016.

This approval will authorise the Company to offer a yet to be determined number of fully paid ordinary shares in the Company up to a maximum of 69,951, calculated by dividing $287,500 by $4.11 being the weighted average price of the Company's shares over the 20 trading days beginning 1 July 2016. The performance period for the shares in respect of the 2016 ELTIP offer will be 1 July 2016 – 30 June 2019.

The shares would be issued under this offer if approval for the purposes of ASX Listing Rules 7.1 and 10.14 (only to the extent required) is subsequently given (at a future meeting of the Company's shareholders) and the shares would be allocated and vest for the benefit of Mr Sulicich should the performance criteria be achieved for the performance period 1 July 2016 – 30 June 2019.

General explanations of the Managing Director's current remuneration arrangements were previously released to the Australian Securities Exchange.

The resolution set out in Item 4 is in accordance with the Company's policies on total remuneration arrangements for the Managing Director, as described in the following section. The Company's Remuneration Policy is available on the Company's website.

Explanatory Memorandum

Basis of Employment of the Managing Director

To assist in achieving the objectives of the Company, the Group Remuneration Committee (**GRemC)** links the nature and amount of the Managing Director's emoluments to the Company's financial and operational performance. The remuneration of the Managing Director may comprise one or more of the following:

- fixed annual remuneration (inclusive of superannuation and fringe benefits) (**FAR**);
- cash based short term incentive (**STI**); and
- executive long term incentive plan (**ELTIP**).

i. Fixed Annual Remuneration

The FAR is paid by way of cash salary, superannuation and fringe benefits and is reviewed annually by the GRemC. In addition, external consultants provide analysis and advice to ensure remuneration is competitive in the marketplace.

ii. Cash Based Short Term Incentive

The STI is calculated as a percentage of the FAR and is payable annually in respect of each financial year as cash and/or superannuation contributions. The maximum STI that may be awarded to the Managing Director is 50% of FAR. Payment of STI is conditional upon the achievement of pre-determined performance criteria tailored to the respective role and is at the absolute discretion of the Board.

Each year, the Board approves the Key Performance Indicators (**KPIs**) for the Managing Director following a recommendation from the GRemC. The GRemC selects performance objectives which provide a robust link between reward and the key drivers of long term shareholder value. The KPIs are measures relating to Company and personal performance accountabilities and include financial, strategic, operational, cultural and customer/stakeholder measures.

iii. Executive Long Term Incentive Plan (ELTIP)

The ELTIP was established by the Board to encourage a greater involvement in the achievement of the Company's objectives. An ELTIP offer may be made to the Managing Director every year as determined by the Board. It provides for the issue of fully paid ordinary shares in the Company if performance criteria specified by the Board are satisfied in a set performance period.

The maximum value of the any ELTIP offer to the Managing Director is 50% of FAR and is at the absolute discretion of the Board. The value of the offer is converted into fully paid ordinary shares based upon the weighted average price of the Company's shares over a twenty trading day period to be determined by the Board.

In order for the shares to vest, certain performance criteria must be satisfied within a predetermined performance period. Both the performance criteria and the performance period are set by the Board, at its absolute discretion. The Board has, for the time being, set the three financial years, commencing with the year in which an offer is made under the plan as the performance period, with relative Total Shareholder Return (TSR) and absolute Return on Equity (ROE) as the performance criteria.

Explanatory Memorandum

2016 ELTIP Offer

The proposed 2016 ELTIP offer (including the proposed offer to the Managing Director) applies to the three year performance period commencing 1 July 2016 and ending on 30 June 2019.

TSR Component	Compares MYS TSR vs ASX 300	
	If MYS TSR = Median ASX300	50% of opportunity vests
	If MYS TSR = 75% ASX300	100% of opportunity vests
	If MYS TSR between median and 75%	Opportunity vests pro rata on a straight line basis between 50% and 100%
ROE Component	Board has set underlying ROE target in the range 31.80% to 33.50%	
	If aggregate underlying ROE = 31.80%	25% of opportunity vests
	If aggregate underlying ROE = 33.50%	100% of opportunity vests
