

ASX Announcement

29 April 2021

Energy Technologies Limited Quarterly Activities Report and Appendix 4C

Key highlights

- Achieved quarterly cash receipts of A\$2.77m, a 20% decrease on last quarter and a 64% increase on the previous corresponding period (pcp).
- Sales were affected by a slow January and February.
- Successfully raised \$1.82m to restructure debt facilities which will be finalised in May.
- Asset finance has now been paid off

Energy Technologies Limited (ASX:EGY or "the Company"), a 100% owner of Bambach Wire and Cables Pty Ltd (Bambach) which manufactures low voltage copper insulated cables, is pleased to release its Quarterly Activities Report and Appendix 4C Quarterly Cash Flow Report for the period ended 31 March 2021 ("3Q FY21").

During the quarter, EGY experienced a drop in sales for January and February which was forecast. Cash Receipts were up 64% on the previous corresponding quarter due to the business cycling very low comparatives. Due to the COVID-19 Pandemic and subsequent economic fallout in manufacturing and the relocation of the factory, true comparatives will not be evident until the full FY23 year.

Bambach CEO, Alf Chown said, "EGY, and more specifically Bambach, are continuing to position the company for the long term. The changes to the financial obligations of the company positions it well to open up capacity to have stock on hand to market in to existing and new sales channels and allows Bambach to take advantage of a renewed push to support Australian manufacturing businesses".

Corporate update

During the quarter ended 31 March 2021, EGY successfully raised \$1.82 million through the issue of convertible notes to restructure its current obligations.

Operational update

Cash receipts for the quarter were lower than the previous quarter (~20%), however, the ramp up in production has positioned the company well and when coupled with the re-financing the company expects to see the changes reflected in the sales figures in the next financial year.

ASX Listing Rule 4.7C.3

In accordance with ASX Listing Rule 4.7C, payments made to related parties included in item 6.1 of the Appendix 4C incorporate director's fees and salary.

– END –

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
