

INVION LAUNCHES INTERACTIVE INVESTOR HUB

MELBOURNE (AUSTRALIA) 11 April 2023: Invion Limited (ASX: IVX) ("Invion" or the "Company") is pleased to announce the launch of a new interactive investor hub as part of its strategy to increase shareholder engagement.

The interactive hub will allow investors to easily access Invion's latest updates, including presentations, as well as post feedback and questions to management on specific ASX announcements released by the Company.

Investors can get access and sign up to the hub via Invion's website or <https://investors.inviongroup.com/welcome>.

This announcement was approved for release by Thian Chew, Chairman of the Board.

About Invion

Invion is a life-science company that is leading the global research and development of the Photosoft™ technology for the treatment of a range of cancers, atherosclerosis and infectious diseases. Invion holds the exclusive Australia and New Zealand license rights and exclusive distribution rights to Asia Pacific excluding China (other than Hong Kong, which is included in the Territory), Macau, Taiwan, Japan and South Korea to the Photosoft™ technology for all cancer indications. It also holds the exclusive rights to the technology in Asia Pacific (excluding Greater China) for atherosclerosis and infectious diseases. Research and clinical cancer trials are funded by the technology licensor, RMW Cho Group Limited, via an R&D services agreement with the Company. Invion is listed on the ASX (ASX: IVX). For more information, visit www.inviongroup.com.

About Photodynamic Therapy (PDT)

Invion is developing Photosoft™ technology as a novel next generation Photodynamic Therapy (PDT). PDT uses non-toxic photosensitisers and light to selectively kill cancer cells and promote an anti-cancer immune response. Less invasive than surgery and with minimal side effects, PDT offers an alternative treatment option aimed at achieving complete tumour regression and long-lasting remission.
