Completion of the sale of the Australian Subsidiary, GP2U

07 July 2023

Sale of GP2U

Doctor Care Anywhere Group PLC (ASX:DOC, "Doctor Care Anywhere", "the Company, DCA") today announces that it has completed the sale of its Australian subsidiary GP2U Telehealth Pty Limited ("GP2U").

With the negations now concluded and the contracts exchanged, the Board would like to thank all the employees of GP2U for their hard work and dedication over the last few years. The Board would also like to take this opportunity to wish GP2U and My Emergency Doctor ("MED") a successful future.

We look forward to developing a closer working relationship with MED as they continue to grow.

- ENDS -

This announcement has been authorised for release by the Board of Directors of the Company.

About Doctor Care Anywhere:

Doctor Care Anywhere Group PLC is the UK's largest private provider of telehealth services. The Company works with insurers, healthcare providers and corporate customers to connect patients to a range of digitally-enabled telehealth services on its proprietary platform. It is committed to delivering the best possible patient experience and clinical care through digitally enabled, joined up, evidence-based pathways on its proprietary platform. Doctor Care Anywhere utilises its relationships with health insurers, healthcare providers and corporate customers to connect with patients to deliver a range of telehealth services.
