

ASX Announcement

27th November 2024

Energy Technologies Limited – Awarded first tender

Energy Technologies Limited (ASX: EGY or “the Company”) announced on 25 November 2024 that the Manufactured and Purchased Sales Divisions have been awarded their first cable supply contract since adoption of the Company’s revised business plan (as to which refer ASX Announcement of the 31st October).

EGY has announced the submission of a \$4.2m tender in respect of a major infrastructure project in NSW, with a tier 1 provider of transport solutions headquartered in Europe, and the award of an initial package comprising low voltage, signalling cable in an amount of \$860k. In accordance with ASX Guidance Note 8, Section 4.15, EGY further announces that the counterparty on the project is Siemens Mobility.

– END –

About Energy Technologies

Energy Technologies Limited (ABN 38 002 679 469) specialize in providing high-quality electrical cables for a wide range of applications across the Low Voltage (LV), Medium Voltage (MV), and High Voltage (HV) markets.
