[1] "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

[2] Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

CORPORATE GOVERNANCE STATEMENT

This Corporate Governance Statement is current as at 19 September 2025 and has been approved by the Board of the Company on that date.

This Corporate Governance Statement discloses the extent to which the Company has followed the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations – 4th Edition (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that have not been followed are identified and reasons provided for not following them along with what (if any) alternative governance practices the Company adopted in lieu of the Recommendation.

The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties.

Due to the current size and nature of the existing Board and the magnitude of the Company's operations, the Board does not consider that the Company will gain any benefit from individual Board committees and that its resources would be better utilised in other areas as the Board is of the strong view that at this stage the experience and skill set of the current Board is sufficient to perform these roles. Under the Company's Board Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees.

The Company's Corporate Governance Plan is available on the Company's website at auscriticalminerals.com.au.

RECOMMENDATIONS (4TH EDITION)	COMPLY	EXPLANATION
Principle 1: Lay solid foundations for management and oversight		
Recommendation 1.1 A listed entity should have and disclose a board charter setting out: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.	YES	The Company has adopted a Board Charter in Schedule 1 of the Corporate Governance Plan, which clearly defines: (a) the specific roles and responsibilities of the Board, the Chair and management; and (b) matters expressly reserved to the Board and those delegated to management.

RECOMMENDATIONS (4TH EDITION)	COMPLY	EXPLANATION
		The Board Charter also addresses Board composition, the roles and responsibilities of the Chairman and Company Secretary, the establishment, operation and management of Board Committees, Directors' access to Company records and information, details of the Board's relationship with management, details of the Board's performance review and details of the Board's disclosure policy. A copy of the Company's Board Charter is available on the Company's website auscriticalminerals.com.au.
Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a Director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a Director.	YES	(a) The Company Corporate Governance Plan includes guidelines for the appointment and selection of Directors and senior executives. Under the Nomination Committee Charter (Schedule 5 of the Corporate Governance Plan) the Nomination Committee (or, in its absence, the Board) is required to ensure appropriate checks (including checks in respect of character, experience, education, criminal record and bankruptcy history (where relevant) are undertaken before appointing a person or putting forward to security holders a candidate for election as a Director. In the event of an unsatisfactory check, a Director is required to submit their resignation. (b) Under the Nomination Committee Charter, all material information relevant to a Director's election or re-election must be provided to security holders in the Notice of Meeting containing the resolution to elect or re-elect a Director.
Recommendation 1.3 A listed entity should have a written agreement with each Director and senior executive setting out the terms of their appointment.	YES	The Company's Nomination Committee Charter requires the Nomination Committee (or, in its absence, the Board) to ensure that each Director and senior executive enter into a written agreement with the Company setting out the terms of that Director's or senior executive's appointment. The Company has written agreements with each of its Directors and senior executives.

RECOMMENDATIONS (4TH EDITION)	COMPLY	EXPLANATION
Recommendation 1.4 The Company Secretary of a listed entity should be accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.	YES	The Board Charter outlines the roles, responsibility and accountability of the Company Secretary. In accordance with this, the Company Secretary reports directly to the Board, through the Chair, on all matters relating to the effective functioning of the Board.
Recommendation 1.5 A listed entity should: (a) have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period: (i) the measurable objectives set for that period to achieve gender diversity; (ii) the entity's progress towards achieving those objectives; and (iii) either: (A) the respective proportions of men and women on the Board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in the Workplace Gender Equality Act.	PARTIALLY	(a) The Company has adopted a Diversity Policy (Schedule 10 of the Corporate Governance Plan), which establishes a framework for setting, monitoring, and assessing diversity objectives, including gender diversity. (b) The Diversity Policy allows the Board to set measurable gender diversity objectives where appropriate, and to continually monitor both the objectives and the Company's progress in achieving them. (c) At this stage, the Board has determined not to establish specific measurable objectives because: (i) the Board does not anticipate there will be a need to appoint any new Directors or senior executives due to the Board's view that the current Directors and senior executives collectively provide the skills and experience required to carry out the Company's plans and strategy; (ii) if it becomes necessary to appoint any new Directors or senior executives a. the Board will consider the application of the measurable diversity objectives and determine whether, given the size of the Company and the Board, requlring specified objectives to be met could unnecessarily limit the Company from applying the Diversity Policy as a whole and appointing the most suitable candidate for any future role; and

RECOMMENDATIONS (4TH EDITION)	COMPLY	EXPLANATION
If the entity was in the S&P / ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.		b. the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes) for each financial year will be disclosed.
Recommendation 1.6 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of the Board, its committees and individual Directors; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.	YES	(a) The Company's Nomination Committee (or, in its absence, the Board) is responsible for evaluating the performance of the Board, its committees and individual Directors on an annual basis.
