2.1 Voting in person

To vote in person, attend the Meeting on the date and at the place set out above.

2.2 Voting by proxy

A Proxy Form is made available with the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

(a) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;

(b) a proxy need not be a member of the Company; and

(c) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

(a) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed);

(b) if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands;

(c) if the proxy is the Chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and

(d) if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Section 250BC of the Corporations Act provides that, if:

(a) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members;

(b) the appointed proxy is not the chair of the meeting;

(c) at the meeting, a poll is duly demanded, or is otherwise required under section 250JA on the resolution; and

(d) either the proxy is not recorded as attending the meeting or the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

2.3 Chair's voting intentions

If the Chair is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1, Resolution 4and Resolution 5 by signing and returning the Proxy Form, you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention, even though these Resolutions are connected directly or indirectly with the remuneration of a member of the Key Management Personnel of the Company.

2.4 Depositary Interest holders

Persons entitled to vote

The Form of Instruction (accompanying this Notice of Meeting) must be signed by the depositary interest holder or an attorney duly authorised in writing and deposited at the office of the Depositary, Computershare Investor Services PLC, located at The Pavilions, Bridgewater Road, Page 8 Bristol BS99 6ZY by 5pm (UK Time) on Thursday, 20 November 2025. Any Form of Instruction received after that time will not be valid for the Meeting.

CREST Voting

Holders of Depositary Interests in CREST may transmit voting instructions by utilising the CREST voting service in accordance with the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take appropriate action on their behalf.

In order for instructions made using the CREST voting service to be valid, the appropriate CREST message (a "CREST Voting Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via **www.euroclear.com**).

To be effective, the CREST Voting Instruction must be transmitted so as to be received by the Company's agent (3RA50) no later than 5pm (UK Time) on Thursday, 20 November 2025. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the CREST Voting Instruction by the CREST applications host) from which the Company's agent is able to retrieve the CREST Voting Instruction by enquiry to CREST in the manner prescribed by CREST.

Holders of Depositary Interests in CREST and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the transmission of CREST Voting Instructions. It is the responsibility of the Depositary Interest holder concerned to take (or, if the Depositary Interest holder is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that the CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a CREST Voting Instruction is transmitted by means of the CREST voting service by any particular time. In this connection, Depositary Interest holders and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

4. Resolution 1 – Remuneration Report

4.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report for the year ended 30 June 2025 in the 2025 Annual Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2024 annual general meeting held on 18 November 2024. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2026 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

4.2 Additional information

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

5. Resolution 2 – Election of Director – Mr Neil Grimes

5.1 General

Clause 15.4 of the Constitution provides that the Directors may at any time appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.

Mr Neil Grimes was appointed by the Board as a Director on 17 March 2025. Accordingly, Mr Grimes retires at this Meeting and, being eligible and offering himself for election, seeks election pursuant to Resolution 2.

If Resolution 2 is passed, Mr Grimes will retire at the conclusion of the Meeting and will be immediately elected as a Director.

Mr Grimes has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

5.3 Board recommendation

The Board (other than Mr Grimes, who abstains from making a recommendation given his personal interest in the outcome of Resolution 2) recommend that Shareholders vote in favour of Resolution 2. The Board considers that Mr Grimes extensive commercial and industry experience particularly in the mineral resources sector, enhances the Board's capability and has already been of benefit to the Company since his appointment.

5.4 Additional information

Resolution 2 is an ordinary resolution.

6. Resolution 3 – Approval of 10% Placement Facility

6.1 General

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% annual placement capacity under Listing Rule 7.1.

Resolution 3 seeks Shareholder approval to provide the Company with the ability to issue

Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 7.2(f) below). The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 7.2(c) below).

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval in Listing Rule 7.1.

6.2 Listing Rule 7.1A

(a) **Is the Company an eligible entity?**

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of $300 million or less.

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately $37.6 million, based on the closing price of Shares ($0.012) on 16 October 2025.

(b) **What Equity Securities can be issued?**

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the eligible entity.

As at the date of the Notice, the Company has on issue two quoted classes of Equity Securities, being Shares and Options.

(c) **What Equity Securities can be issued?**

Listing Rule 7.1A.2 provides that under the approved 10% Placement Facility, the Company may issue or agree to issue a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

Where:

A = is the number of Shares on issue at the commencement of the Relevant Period:

(A) plus the number of fully paid Shares issued in the Relevant Period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;

(B) plus the number of fully paid Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:

(1) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or

(2) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;

(C) plus the number of fully paid Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:

(1) the agreement was entered into before the commencement of the Relevant Period; or

(2) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;

(D) plus the number of partly paid Shares that became fully paid Shares in the Relevant Period;

(E) plus the number of fully paid Shares issued in the Relevant Period with approval under Listing Rules 7.1 and 7.4; and

(F) less the number of fully paid Shares cancelled in the Relevant Period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating the Company's 15% annual placement capacity.

D = is 10%.

E = is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue, where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

(d) **What is the interaction with Listing Rule 7.1?**

The Company's ability to issue Equity Securities under Listing Rule 7.1A will be in addition to its 15% annual placement capacity under Listing Rule 7.1.

(e) **At what price can the Equity Securities be issued?**

Any Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per Equity Security which is not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or

(ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph 7.2(e)(i) above, the date on which the Equity Securities are issued, (**Minimum Issue Price**).

(f) **When can Equity Securities be issued?**

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A will be

valid from the date of the Meeting and will expire on the earlier of:

(i) the date that is 12 months after the date of the Meeting;

(ii) the time and date of the Company's next annual general meeting; or

(iii) the time and date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(**10% Placement Period**).

(g) **What is the effect of Resolution 4?**

The effect of Resolution 4 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

6.3 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the 10% Placement Facility:

(a) **Final date for issue**

The Company will only issue the Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 6.2(f) above).

(b) **Minimum issue price**

Where the Company issues Equity Securities under the 10% Placement Facility, it will only do so for cash consideration and the issue price will be not less than the Minimum Issue Price (refer to Section 6.2(e) above).

(c) **Purposes of issues under the 10% Placement Facility**

The Company may seek to issue Equity Securities under the 10% Placement Facility for the purposes of raising funds for continued investment in the Company's current assets, the acquisition of new assets or investments (including expenses associated with such an acquisition), and/or for general working capital.

(d) **Risk of economic and voting dilution**

Shareholders should note that there is a risk that:

(i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and

(ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table (in the case of Options, only if the Options are converted into Shares).

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 62(c) above) as at the date of this Notice (**Variable A**), with:

(iii) two examples where Variable A has increased, by 50% and 100%; and

(iv) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Shares (Variable A in Listing Rule 7.1A.2)	**Dilution**			
	Issue price per Share	**$0.006** **50% decrease in Current Market Price**	**$0.012** **Current Market Price**	**$0.024** **100% increase in Current Market Price**

Notes:

1. The table has been prepared on the following assumptions:

   (a) The issue price is the current market price ($0.012), being the closing price of the Shares on ASX on 16 October 2025, being the latest practicable date before this Notice was signed.

   (b) Variable A comprises of 3,135,488,452 existing Shares on issue as at the date of this Meeting, assuming the Company has not issued any Shares in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rule 7.1 and 7.4.

   (c) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.

(d) No convertible securities (including any issued under the 10% Placement Facility) are exercised or converted into Shares before the date of the issue of the Equity Securities.

(e) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.

The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

(i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate;

(ii) the effect of the issue of the Equity Securities on the control of the Company;

(iii) financial situation and solvency of the Company; and

(iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new investors who are not related parties of or associates of a related party of the Company.

(f) **Issues in the past 12 months**

The Company has previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 18 November 2024. In the 12 months preceding the date of the Meeting and as at the date of this Notice, the Company has not issued or agreed to issue Equity Securities under Listing Rule 7.1A.

At the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

6.4 Additional information

Resolution 4 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 4.

7. Resolution 5 – Re-approval of Employee Securities Incentive Plan

7.1 General

The Company considers that it is desirable to maintain an employee incentive scheme (**Plan**) pursuant to which the Company can issue Equity Securities to attract, motivate and retain key Directors, employees and consultants and provide them with the opportunity to participate in the future growth of the Company.

Resolution 5 seeks Shareholder approval for the issue of up to a maximum of 385,991,327 Equity Securities under the Plan in accordance with Listing Rule 7.2 Exception 13(b).

Since the Plan was last approved by Shareholders at the 2022 annual general meeting, as at the date of this Notice, no Equity Securities have been issued under the Plan in accordance with Listing Rule 7.2, Exception 13(b).

7.2 Listing Rules 7.1 and 7.2, Exception 13(b)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2, Exception 13(b), provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which Shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

If 4 is passed, the Company will be able to issue up to a maximum of 385,991,327 Equity Securities under the Plan pursuant to Listing Rule 7.2, Exception 13(b), to eligible participants over a period of three years without using the Company's 15% annual placement capacity under Listing Rule 7.1.

However, any future issues of Equity Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

If 4 is not passed, any issue of Equity Securities pursuant to the Plan would need to be made either with Shareholder approval or, in default of Shareholder approval, pursuant to the

Company's placement capacity under Listing Rule 7.1.

7.3 Specific information required by Listing Rule 7.2, exception 13(b)

Pursuant to and in accordance with Listing Rule 7.2, Exception 13(b), the following information is provided in relation to the Plan:

(a) A summary of the material terms of the Plan is in Schedule 2.

(b) Since the Plan was last adopted, as at the date of this Notice, no Equity Securities have been issued under the Plan in accordance with Listing Rule 7.2, Exception 13(b).

(c) The maximum number of Equity Securities proposed to be issued under the Plan pursuant to Listing Rule 7.2, Exception 13(b), following approval of 4 is 385,991,327.

(d) A voting exclusion statement is included in the Notice.

7.4 Additional information

Resolution 4 is an ordinary resolution.

In the interests of good governance, the Directors (who are all eligible to participate in the Plan) abstain from making a recommendation on Resolution 4.

8. Resolution 5 – Approval of potential termination benefits under the Plan

8.1 General

The Corporations Act contains certain limitations concerning the payment of 'termination benefits' to persons who hold a 'managerial or executive office'. The Listing Rules also provide certain limitations on the payment of "termination benefits" to officers of listed entities.

As is common with employee incentive schemes, the Plan provides the Board with the discretion to, amongst other things, determine that some or all of the Equity Securities granted to a participant under the Plan (**Plan Securities**) will not lapse in the event of that participant ceasing their engagement with the Company before such Plan Securities have vested. This 'accelerated vesting' of Plan Securities may constitute a 'termination benefit' prohibited under the Corporations Act, regardless of the value of such benefit, unless Shareholder approval is obtained. Accordingly, the Board has resolved to seek Shareholder approval for the granting of such termination benefits in accordance with Resolution 5.

For the avoidance of any doubt, the approval granted pursuant to this Resolution shall end upon the expiry of all Securities issued or to be issued under the Plan and regardless of whether the cap approved by Shareholders under and for the purposes of Listing Rule 7.2 Exception 13(b) (the subject of Resolution 4) expires, is exceeded or re-refreshed from time to time.

8.2 Part 2D.2 of the Corporations Act

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a 'managerial or executive office' (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by shareholders in accordance with section 200E of the Corporations Act.

Shareholder approval is sought for the purposes of Part 2D.2 of the Corporations Act to approve the giving of benefits under the Plan to a person by the Company in connection with

that person ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company (or subsidiary of the Company) on the terms and conditions in this Explanatory Memorandum.

As noted above, under the terms of the Plan and subject to the Listing Rules, the Board possesses the discretion to vary the terms or conditions of the Plan Securities. Notwithstanding the foregoing, without the consent of the participant in the Plan, no amendment may be made to the terms of any granted Plan Security which reduces the rights of the participant in respect of that Plan Security, other than an amendment introduced primarily to comply with legislation, to correct any manifest error or mistake or to take into consideration possible adverse tax implications.

As a result of the above discretion, the Board has the power to determine that some or all of a participant's Plan Securities will not lapse and to vest if the participant ceases employment, engagement or office with the Company before the vesting of their Plan Securities. Examples of the circumstances when the Board may decide to exercise its discretion to permit some or all of the Plan Securities to vest include where a Participant becomes a leaver due to death, redundancy, permanent disability, mental incapacity or retirement. These examples are not exhaustive.

The exercise of this discretion by the Board may constitute a 'benefit' for the purposes of section 200B of the Corporations Act. The Company is therefore seeking Shareholder approval for the exercise of the Board's discretion in respect of any current or future participant in the Plan who holds:

(a) a managerial or executive office in, or is an officer of, the Company (or subsidiary of the Company) at the time of their leaving or at any time in the three years prior to their leaving; and

(b) Plan Securities at the time of their leaving.

8.3 Value of the termination benefits

Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

The value of the termination benefits that the Board may give under the Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting and the number of Plan Securities that will vest or otherwise be affected. The following additional factors may also affect the benefit's value:

(a) the participant's length of service and the status of the vesting conditions attaching to the relevant Plan Securities at the time the participant's employment or office ceases; and

(b) the number of unvested Plan Securities that the participant holds at the time they cease employment or office.

Listing Rule 10.19 relevantly provides that without shareholder approval, an entity must ensure that no officer of the entity or any of its child entities will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that are or may become payable to all officers together exceed 5% of the equity interest of the entity, as set out in the latest accounts given to ASX under the Listing Rules.

In accordance with Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to termination benefits if the value of those benefits and the terminations benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules.

8.4 Board recommendation

5 is an ordinary resolution.

The Board declines to make a recommendation in relation to Resolution 6 due to their potential personal interests in the outcome of the Resolution.

9. Resolution 6 – Re-insertion of Proportional Takeover Bid Approval Provisions

9.1 General

The Company's Constitution contains proportional takeover bid approval provisions (**PTBA Provisions**) which enable the Company to refuse to register securities acquired under a proportional takeover bid unless a resolution is passed by Shareholders in general meeting approving the offer. Under the Corporations Act, proportional takeover provisions expire after three years from adoption or renewal and may then be renewed. As at the date of this Notice, the PTBA Provisions in the current Constitution have expired.

Resolution 6 seeks the approval of Shareholders to modify the Constitution by re-inserting the PTBA Provisions for a further three years under sections 648G(4) and 136(2) of the Corporations Act. The proposed PTBA Provisions set out in Schedule 3 are identical to those previously contained at clause 38 of the Constitution.

The Corporations Act requires the Company to provide Shareholders with an explanation of the PTBA Provisions as set out below.

9.2 Information required by section 648G of the Corporations Act

(a) **What is a proportional takeover bid?**

A proportional off-market takeover bid (**PT Bid**) is a takeover offer sent to all Shareholders but only for a specified portion of each Shareholder's Securities. Accordingly, if a Shareholder accepts in full the offer under a PT Bid, it will dispose of the specified portion of its securities in the Company and retain the balance of the Securities.

(b) **Effect of renewal**

If re-inserted and a PT Bid is made to Shareholders of the Company, the Board is required to convene a meeting of Shareholders to vote on a resolution to approve the proportional takeover. That meeting must be held at least 14 days before the day before the last day of the bid period and during which the offers under the PT Bid remain open or a later day allowed by ASIC (**Deadline Date**).

The resolution is taken to have been passed if a majority of securities voted at the meeting, excluding the securities of the bidder and its associates, vote in favour of the resolution. If no resolution is voted on by the Deadline Date, the resolution is deemed to have been passed.

Where the resolution approving the PT Bid is passed or deemed to have been passed, transfers of securities resulting from accepting the PT Bid are registered provided they otherwise comply with the Corporations Act, the Listing Rules, the ASX Operating Rules and the Company's Constitution. If the resolution is rejected, then under the Corporations Act the PT Bid is deemed to be withdrawn.

The Directors consider that Shareholders should have the opportunity to re-insert the PTBA Provisions. Without the PTBA Provisions applying, a PT Bid for the Company may enable effective control of the Company to be acquired without Shareholders having the opportunity to dispose of all of their securities to the bidder. Shareholders could be at risk of passing control to the bidder without payment of an adequate control premium for all their Securities whilst leaving themselves as part of a minority interest in the Company. Without the PTBA Provisions, if there was a PT Bid and Shareholders considered that control of the Company was likely to pass, Shareholders would be placed under pressure to accept the PT Bid even if they did not want control of the Company to pass to the bidder. Re-inserting the PTBA Provisions will make this situation less likely by permitting Shareholders to decide whether a PT Bid should be permitted to proceed.

(c) **No knowledge of present acquisition proposals**

As at the date of this Notice, no Director is aware of a proposal by any person to acquire or increase the extent of a substantial interest in the Company.

(d) **Potential advantages and disadvantages**

The renewal of the PTBA Provisions will enable the Directors to formally ascertain the views of Shareholders about a PT Bid. Without these provisions, the Directors are dependent upon their perception of the interests and views of Shareholders. Other than this advantage, the Directors consider that re-insertion of the PTBA Provisions has no potential advantages or potential disadvantages for them, as they remain free to make a recommendation on whether a PT Bid should be accepted.

The Directors consider that re-inserting the PTBA Provisions benefits all Shareholders in that they will have an opportunity to consider a PT Bid and then attend or be represented by proxy at a meeting of Shareholders called specifically to vote on the proposal. Accordingly, Shareholders are able to prevent a PT Bid proceeding if there is sufficient support for the proposition that a substantial interest (and potentially control) of the Company should not be permitted to pass under the PT Bid. Furthermore, knowing the view of Shareholders assists each individual Shareholder to assess the likely outcome of the PT Bid and whether to accept or reject that bid.

As to the possible disadvantages to Shareholders re-inserting the PTBA Provisions, potentially, the proposal makes a PT Bid more difficult and PT Bids will therefore be discouraged. This may reduce the opportunities which Shareholders may have to sell all or some of their Securities at a premium to persons seeking control of the Company and may reduce any takeover speculation element in the Company's Share price. The PTBA Provisions may also be considered an additional restriction on the ability of individual Shareholders to deal freely on their Securities.

The Directors consider that there are no other advantages or disadvantages for Directors or Shareholders which arose during the period during which the PTBA Provisions were in effect, other than those discussed in this Section. On balance, the Directors consider that the possible advantages outweigh the possible disadvantages so that the re-insertion of the PTBA Provisions is in the interest of Shareholders.

9.3 Additional information

Resolution 6 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 6.

(a) **Awards**

Award means an Option, a Performance Right, a Share Award and/or a Loan Funded Share, as the case may be.

(b) **Eligible Participant**

Eligible Participant means

(i) any Director or a person who is a full-time or part-time employee of the Company or its Related Bodies Corporate who is declared by the Board in its sole and absolute discretion to be eligible to receive grants of Awards under the Plan; or

(ii) any other person providing services to the Group and who is declared by the Board in its sole and absolute discretion to be eligible to receive grants of Awards under the Plan.

(c) **Administration of the Plan**

The Plan will be administered by the Board in accordance with the Plan rules.

(d) **Purpose**

The purpose of the Plan is to:

(i) assist in the reward, retention and motivation of Eligible Participants;

(ii) link the reward of Eligible Participants to Shareholder value creation; and

(iii) align the interests of Eligible Participants with Shareholders by providing an opportunity to Eligible Participants to earn rewards via an equity interest in the Company based on creating Shareholder value.

(e) **Maximum Award Allocation**

Unless prior Shareholder Approval is obtained, the number of Awards which may be granted under the Plan must not at any time exceed in aggregate 10% of the total issued capital of the Company at the date of any proposed new Awards.

(f) **Eligibility, invitation and application**

The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination) of the different types of Awards on such terms and conditions as the Board decides.

On receipt of an Invitation, an Eligible Participant may apply for the Awards the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part

If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

(g) **Terms of Awards**

The terms and conditions of Awards offered or granted under these Rules to each Eligible Participant will be determined by the Board in its sole and absolute discretion.

(h) **Grant of Awards**

The Company will, to the extent that it has accepted a duly completed application, grant the Eligible Participant the relevant number of Awards, subject to the terms and conditions set out in the Invitation, the Plan rules and any ancillary documentation required.

(i) **Terms of Options and Performance Rights**

Each Option and/or Performance Right (**Convertible Security**) represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan. Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them unless otherwise determined by the Board. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

(j) **Vesting of a Convertible Security**

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

(k) **Exercise of Convertible Securities and cashless exercise**

To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Options (see below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Security (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.

The Board may determine in its sole and absolute discretion that a Participant will not be required to provide payment of the exercise price of Options, but that on exercise of the Options the Company will only allot and issue or transfer that number of Plan Shares to the Participant that are equal in value to the difference between the exercise price otherwise payable in relation to the Options and the then Market Value of the Plan Shares as at the time of the exercise (with the number of Plan Shares rounded down).

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means:

(i) in relation to Options and Performance Rights, a value determined by application of a valuation methodology approved by the Board; and

(ii) in relation to Share Awards, Loan Funded Shares and Plan Shares, the 'volume weighted average market price' (as that term is defined in the Listing Rules) per Share during the previous five trading days.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

Options must be exercised in multiples of 100 unless fewer than 100 Options are held by a Participant or the Board otherwise agrees.

(l) **Delivery of Shares on exercise of Convertible Securities**

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

(m) **Forfeiture of Convertible Securities**

Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly; committed an act which has brought the Company, the Group or any entity within the Group into disrepute, or wilfully breached his or her duties to the Group or where a Participant is convicted of an offence in connection with the affairs of the Group; or has a judgment entered against him or her in any civil proceedings in respect of the contravention by the Participant of his or her duties at law, in equity or under statute, in his or her capacity as an employee, consultant or officer of the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

(i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and

(ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation or vesting notice.

(n) **Change of control**

If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event provided that, in respect of Convertible Securities, the maximum number of Convertible Securities (that have not yet been exercised) that the Board may determine will vest and be exercisable into Shares under this Rule is that number of Convertible Securities that is equal to 10% of the Shares on issue immediately following vesting under this Rule, which as far as practicable will be allocated between holders on a pro-rata basis on the basis of their holdings of Convertible Securities on the date of determination of vesting.

(o) **Adjustment of Convertible Securities**

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the

extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

(p) **Convertible Securities participation rights**

There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

(q) **Share Awards**

The Board may from time to time make an invitation to an Eligible Participant to acquire Share Awards under the Plan. The Board will determine in its sole and absolute discretion the acquisition price (if any) for each Share Award which may be nil. The Share Awards may be subject to performance hurdles and/or vesting conditions as determined by the Board.

Where Share Awards granted to a Participant are subject to performance hurdles and/or vesting conditions, the Participant's Share Awards will be subject to certain restrictions until the applicable performance hurdles and/or vesting conditions (if any) have been satisfied, waived by the Board or are deemed to have been satisfied under these Rules.

Following the issue of a vesting notification to the Participant, the Share Awards held by the Participant will no longer be subject to any restrictions and may be transferred or sold by the Participant, subject to compliance with applicable laws, the Company's Securities Trading Policy and the terms of the Plan.

(r) **Loan Funded Shares**

The Board may from time to time make an invitation to an Eligible Participant to acquire Loan Funded Shares under the Plan. The Board will determine in its sole and absolute discretion the acquisition price (if any) for each Loan Funded Shares which may be nil. The Loan Funded Shares may be subject to performance hurdles and/or vesting conditions as determined by the Board.

Where Loan Funded Shares granted to a Participant are subject to performance hurdles and/or vesting conditions, the Participant's Loan Funded Shares will be subject to certain restrictions until the applicable performance hurdles and/or vesting conditions (if any) have been satisfied, waived by the Board or are deemed to have been satisfied under these Rules.

Following the issue of a vesting notification to the Participant, the Loan Funded Shares held by the Participant will no longer be subject to any restrictions and may be transferred or sold by the Participant, subject to compliance with applicable laws, the Company's Securities Trading Policy and the terms of the Plan.

When the Company makes an Invitation to an Eligible Participant to acquire Loan Funded Shares, the Company will also offer the Eligible Participant a Loan on terms and conditions to be determined by the Board, for the amount of the acquisition price of the Loan Funded Shares, for the purposes of acquiring all or part of the Loan Funded Shares the subject of the invitation.

The loan amount may accrue interest as determined by the Board.

A Participant may repay all or part of a Loan at any time before the expiration of the Loan term, and at the expiration of the Loan term the Participant must immediately repay all of the Loan.

(s) **Rights Attaching to Share Awards, Loan Funded Shares and Plan Shares**

Any Share Awards, Loan Funded Shares and/or Plan Shares allotted, issued or transferred by the Company to a Participant under the Plan will rank equally with all existing Shares on and from the date of allotment, issue or transfer, including in respect of all rights and bonus issues.

A Participant will have a vested and indefeasible entitlement to any dividends declared and distributed by the Company on any Share Awards, Loan Funded Shares and/or Plan Shares which, at the record date for determining entitlement to those dividends, are standing to the account of the Participant.

The Participant may also participate in any dividend reinvestment plan operated by the Company in respect of Share Awards, Loan Funded Shares (provided the Loan has been fully repaid) and/or Plan Shares held by the Participant.

(t) **Disposal restrictions**

If the invitation provides that any Share Awards, Loan Funded Shares and/or Plan Shares held by any Participants are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as Share Awards, Loan Funded Shares and/or Plan Shares held by any Participants are subject to any disposal restrictions under the Plan, the Participant will not:

(i) transfer, encumber or otherwise dispose of, or have a security interest granted over that security; or

(ii) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

(u) **Buy-back**

Subject to applicable law, the Company may at any time buy-back Awards and/or Plan Shares in accordance with the terms of the Plan.

(v) **Compliance with applicable law**

No act will be done or determination made in accordance with the Plan rules where to do so would be a breach of any applicable laws, and where any such act is done or determination made it will be considered void and to the extent possible be unwound and of no effect in respect of Awards and/or Plan Shares.

(w) **Amendment of Plan**

Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Awards that have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

(x) **Plan duration**

The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Awards granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Awards may be cancelled in the manner agreed between the Company and the Participant.
