ASX Announcement | 1 December 2025

Appointment of New Company Secretary and Corporate Advisor

Linius Technologies Limited (ASX: LNU) in the process of being renamed Ion Video Limited (**Company**) – the only cloud-based solution that unlocks the value of video archives with immersive, deeply personalised viewer experiences via its Linius Video Services (LVS) platform – today announces the appointment of a new company secretary and corporate advisor.

New Company Secretary

Sophie Karzis has been appointed as company secretary effective from today, 1 December 2025. Sophie brings more than 15 years of senior experience in corporate governance, ASX compliance, and legal counsel roles across high-growth and publicly listed companies. She is widely regarded as one of Australia's leading governance professionals.

Sophie previously served as company secretary and general counsel of Afterpay, where she played a pivotal role during the company's accelerated expansion and subsequent US$29 billion (A$39 billion) acquisition by Block Inc. (formerly Square). Her leadership helped shape Afterpay's governance, compliance, and risk frameworks as it grew from early-stage disruptor to global fintech leader.

Beyond Afterpay, Sophie has acted as corporate counsel and company secretary for several ASX-listed companies, including Gale Pacific, Maggie Beer Holdings, and is currently a director of Touch Ventures, and PlaySide Studios.

Sophie will oversee the Company's ASX reporting, governance processes, and compliance obligations.

Coinciding with this appointment, Giuseppe Rinarelli has resigned as company secretary, but will remain as a director of the Company and chief financial officer.

Corporate Advisor

The Company is also pleased to announce that it has appointed Canaccord Genuity (Australia) Ltd (**Canaccord Genuity**) as corporate advisor. Canaccord Genuity will assist with the Company's ongoing capital markets strategy, provide introductions to the broader investor community, and other advisory services as required.

Canaccord Genuity is a leading independent financial services firm with a global presence and strong credentials in the technology sector.

This announcement has been authorised for release to ASX by the Linius Board of Directors.

About Linius Technologies Limited:

Linius' purpose is to unlock the value of the world's video, creating immersive, deeply personalised viewing experiences. For the first time, we make it possible to find, curate, and utilise the valuable moments across vast libraries of video, enabling viewers to create an infinite amount of personalised video compilations on-the-fly, providing the most relevant content to each viewer.

Our patented Video Virtualisation Engine™ (VVE) turns big, bulky video files into lightweight, searchable data that is enriched with AI and ML, making it easy and efficient for users to find and share what matters to them. Creators and owners of video can drive greater viewing and monetisation of their video assets.
