ASX ANNOUNCEMENT

16 December 2025

Placement Shares Allocated

Key Highlights

- **Initial tranche of the Placement completed, raising $900,000 before costs.**
- **Balance $25,000 from directors Tony Toohey and James Barrie will be subject to shareholder approval at a General Meeting in January 2026.**

HITIQ Limited (ASX: HIQ) (**HITIQ** or the **Company**) advises that, further to its announcement of a placement on 4 December 2025 (**Placement**), it has today allotted 40,909,092 ordinary shares (**Placement Shares**) at an issue price of $0.022 per Placement Share, raising $900,000 before costs.

The terms of the Placement are consistent with the rights issue completed earlier in 2025, and include one attaching new listed option (exercisable at $0.022 and expiring on 30 December 2028) for every two shares issued under the Placement (**Placement Options**). The Company has also allotted 20,454,544 Placement Options.

Directors Tony Toohey and James Barrie have subscribed under the Placement (**Participating Directors**), with their participation to be subject to shareholder approval at a general meeting to be convened in January 2026, details of which will be separately announced.

This announcement was approved for release by the Board of HITIQ Limited.
