Dear Australian Securities Exchange Limited

Re: Trading Halt Request

Pursuant to ASX Listing Rule 17.1, Litchfield Minerals Limited (Company or LMS) requests a trading halt of its securities from ASX, with immediate effect on Wednesday, 15 October 2025.

In accordance with ASX Listing Rule 17.1, the Company provides the following information regarding this request:

(1) The trading halt is requested pending the announcement by the Company concerning a drilling update on the Oonagalabi project.

(2) The Company requests that the trading halt remain in place until the commencement of trading on Friday, 17 October 2025 unless before that time LMS makes an announcement in relation a drilling update on the Oonagalabi project.

(3) The Company is not aware of any reason why the trading halt should not be granted.

(4) The Company is not aware of any other information necessary to inform the market about the trading halt.

Yours sincerely

Litchfield Minerals Limited

Peter Harding-Smith
Company Secretary

About Litchfield Minerals

Litchfield Minerals is a critical mineral explorer, primarily searching for base metals and uranium out of the Northern Territory of Australia. Our mission is to be a pioneering copper exploration company committed to delivering cost-effective, innovative and sustainable exploration solutions. We aim to unlock the full potential of copper and other mineral resources while minimising environmental impact, ensuring the longevity and affordability of this essential metal for future generations. We are dedicated to involving cutting-edge technology, responsible practices and stakeholder collaboration drives us to continuously redefine the industry standards and deliver value to our investors, communities and the world.

The announcement has been approved by the Board of Directors.
