Withdrawal of ASX Announcement re Badja Sale Agreement

16 November 2026

The Company refers to its ASX announcement dated 12 November 2026 entitled "Badja Sale Agreement Milestone Payments" (**Announcement**). The Company withdraws the Announcement as, following receipt of further advice and correspondence with Catalina Resources Ltd (ASX:CTN), it is now apparent that the structure of the transaction means the milestone payments will not be accelerated as a result of CTN's acquisition of Badja Gold Pty Ltd. The Company advises investors not to rely on the Announcement in making any investment decisions.

It is to be noted that the original milestones remain unchanged.
