ASX Announcement

17 NOVEMBER 2026

Clarification

Catalina Resources Ltd (ASX: **CTN**) ('Catalina' or 'the Company') refers to its investor presentation announcement released on 10 November 2026 titled "A Growing Mid West Gold Story."

The Company advises that on slide 11 the Indicated Mineral Resource Estimate (MRE) for Monte Cristo should have read 492,805t @ 1.43 g/t Au for 22,657oz (not 456,053t @ 1.50g/t Au for 21,994oz). The correct MRE numbers had nonetheless been included earlier in the presentation on slide 5.

This announcement has been authorised for release by the Managing Director, Mr Jade Smith.
