

GreenRoc Mining Plc / EPIC: GROC / Market: AIM / Sector: Mining
11 March 2022

GreenRoc Mining plc
("GreenRoc" or the "Company")

Investor Call and Presentation Update

GreenRoc Mining plc (AIM: GROC), a company focused on the development of critical mineral projects in Greenland, is pleased to announce that at 11:30am GMT on 17 March 2022 the Company's CEO, Kirk Adams, will give a live presentation via the Investor Meet Company (IMC) platform.

Following the recent publication of a significant maiden ore resource at the Amitsoq Graphite Project in southern Greenland, which has confirmed the project as one of the highest-grade graphite deposits in the world, Mr Adams will provide an overview of the latest news, comment on the global graphite market and outline future growth strategy.

A presentation on the Amitsoq Graphite Project will be available on the same day at www.greenrocmining.com.

Following his presentation, Mr Adams will also answer questions. These can be submitted pre-event via the IMC dashboard up until 9am on the day before the meeting or at any time during the live presentation.

GreenRoc shareholders and other investors can sign up to Investor Meet Company and register to follow GreenRoc Mining for free via:
