ValiRx PLC ("ValiRx" or the "Company")

Proposed Appointment of Non-Executive Director

London, UK - ValiRx Plc (AIM: VAL), a life science company focusing on early-stage cancer therapeutics and women's health is pleased to announce that, subject to standard regulatory due diligence, it intends to appoint Stella Panu as a Non-Executive Director of the Company.

Stella has extensive experience as an investment management specialist with a particular interest in life sciences.

Dr Kevin Cox, Chair ValiRx PLC, commented "Stella will be an invaluable addition to the Board, providing help and advice on a number of fronts, especially in progressing our intended strategy. I am delighted that she shares our vision for ValiRx and look forward to working with her".

Dr Suzy Dilly, CEO of ValiRx PLC commented "I'm delighted to start working with Stella, drawing on her vast commercial experience in deal making, to support both our licencing and M&A activities. As the first in our intended series of appointments, I'm excited by the prospect of expanding the breadth and depth of commercial expertise within the Company".

Notes for Editors

About ValiRx

ValiRx accelerates the development of treatments in oncology and women's health to improve patient lives. We provide the scientific, financial and commercial framework towards enabling rapid translation of innovative science into clinical development.

With our extensive and proven experience in research and drug development, we select and incubate promising novel drug candidates and guide them through an optimised process of development, from pre-clinical studies to clinic and investor-ready assets.

Integrating science and business

We connect diverse disciplines across scientific, technical and commercial domains, with the aim of achieving a more streamlined, less costly, drug development process. We work closely with our selected collaborators and leverage the combined expertise required for science to advance.

Lead candidates from our portfolio are out-licensed or partnered with investors through ValiRx subsidiary companies for further clinical development and commercialisation. https://www.valirx.com/

The Company listed on the AIM Market of the London Stock Exchange in October 2006 and trades under the ticker symbol: VAL.
