Aurrigo International plc

Issue of Equity and Total Voting Rights

Aurrigo International plc (AIM: AURR, the "Company" or "Aurrigo"), a leading international provider of transport technology solutions, confirms that, following an exercise of options by employees, it has issued and allotted 34,218 new ordinary shares of 0.2 pence each ("Ordinary Shares").

These Ordinary Shares are covered by the block listing application previously made for options issued pursuant to the Company's EMI Share Option Plan. The new Ordinary Shares will rank pari passu with the existing Ordinary Shares.

Total Voting Rights

Following Admission, the Company's total issued share capital will consist of 45,817,140 Ordinary Shares with one voting right per share. The Company does not hold any Ordinary Shares in treasury. Accordingly, the total number of voting rights in the Company is 45,817,140.

The above figure of 45,817,140 may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in the Company under the FCA's Disclosure Guidance and Transparency Rules.
