About N4 Pharma
N4 Pharma is a specialist pharmaceutical company developing a novel delivery system for oncology, gene therapy and vaccines using its unique silica nanoparticle delivery system called Nuvec® and Liptide, a unique peptide/lipid delivery system via its subsidiary Nanogenics.

N4 Pharma's business model is to partner with companies developing products in these fields to use Nuvec® or Liptide® as the delivery vehicle for these products. As these products progress through pre clinical and clinical programs, N4 Pharma will seek to receive upfront payments, milestone payments and ultimately royalty payments once products reach the market.
