("Aurrigo" or the "Company")

Proposed Placing and Retail Offer

Aurrigo International plc (AIM: AURR), a leading international provider of transport technology solutions, announces its intention to carry out a non-pre-emptive fundraise to raise a minimum of £5 million through a placing to new and existing institutional investors of new Ordinary Shares (the "**Placing**") and up to an additional £0.3 million through a retail offering to eligible retail investors (the "**Retail Offer**"), both at a price of 44 pence per new Ordinary Share (the "**Issue Price**") (together the "**Fundraise**").

The net proceeds of the Fundraise will be used predominantly to increase the Company's capacity to build Auto-DollyTug vehicles, with the potential to bring forward commercial sales timelines, and take advantage of the Company's rapidly growing pipelineto grow capacity and further enhance deployment capabilities for existing and prospective clients. Proceeds will also be invested in engineering, software and deployment teams.

The Placing is being conducted via an accelerated bookbuild process (the **"Bookbuild"**) to be undertaken by Canaccord Genuity Limited (**"Canaccord Genuity"**). The Bookbuild will be launched immediately following the release of this Announcement and the number of Placing Shares will be determined at the close of the Bookbuild. A further announcement confirming the closing of the Bookbuild and the number of Placing Shares to be issued pursuant to the Placing is expected to be made in due course. The Placing is subject to the terms and conditions set out in appendix 1 (the **"Appendix 1"**) to this announcement (the **"Announcement"**).The Placing is not being

underwritten. Completion of the Placing is conditional, *inter alia*, upon the Placing Agreement not having been terminated and becoming unconditional, and upon relevant admission.

The Retail Offer will be undertaken via the Winterflood Retail Access platform ("**WRAP**"), to raise up to £0.3 million of gross proceeds. The Retail Offer is being undertaken to allow qualifying new and existing retail shareholders in the United Kingdom an opportunity to participate in the Fundraise at the Issue Price. It is expected that the Retail Offer will launch shortly and will be open for applications until 12.00 p.m. on 13 December 2024 (or such later time and date as the Company, Canaccord Genuity and Winterflood may agree). The Placing is not conditional on the Retail Offer.There can be no guarantee that the Retail Offer will be fully subscribed. The Retail Offer is conditional on, but is not part of, the Placing. A further announcement will be made in due course regarding the Retail Offer and detailing its terms.

The Company has received independent advice that a proportion of the Placing Shares should be capable of constituting a qualifying holding for the purposes of the VCT legislation, subject to a maximum quantum of £3.5 million, with VCT and EIS Relief eligibility for new share issuances expected to expire next year.The Company shall berelying upon the existing shareholder authorities to allot equity securities granted at the annual general meeting in June 2024 in respect of the Placing Shares that constitute a qualifying holding for the purposes of the VCT legislation (the "**First Tranche Placing Shares**"admission being "**First Admission**"). First Admission is anticipated to beon or around17December 2024.

Admission of the remaining Placing Shares (the "**Second Tranche Placing Shares**") and the Retail Offer Shares ("**Second Admission**") shall be conditional upon First Admission and the passing of the Resolutions by Shareholders at the General Meeting, and is anticipated to take place on or around 8 January 2025. For the avoidance of doubt, the Second Tranche Placing Shares and the Retal Offer Shares are not expected to becapable of constituting a qualifying holding for the purposes of the VCT legislation or for EIS Relief.

A circular, containing further details of the Fundraise and notice of the General Meeting to be held at 3.00p.m. on6 January2025to, inter alia, approve the Resolutions required to implement the Second Tranche Placing and the Retail Offer (the "**Circular**"), as well as renew the standing general share allotment and disapplication of pre-emption authorities, is expected to be published and despatched to Shareholders shortly. Following its publication, the Circular will be available on the Group's website at https://aurrigo.com.

The Issue Price represents a discount of approximately 7.4 per cent. to the closing price on 10 December 2024 (being the last practicable date prior to theAnnouncement).

Capitalised terms used but not otherwise defined in this Announcement shall have the meanings ascribed to such terms in Appendix 2 of this Announcement unless the context requires otherwise. Particulars of and the terms and conditions of the Placing are set out in Appendix 1.

Background, to and reasons for, the Fundraise

Aurrigo is undertaking the Fundraise to increase production capacity and create the potential to bring forward commercial sale timelines. The Directors believe these funds will help the Company to capitalize on the growing market opportunity for airside autonomous vehicle solutions.

As announced in the Company's interim results for the period ending 30 June 2024, Aurrigo has delivered significant expansion in its Autonomous division, with H1 revenue higher than revenue in the full year period to 31 December 2023. This growth was driven by the accelerated uptake of airside solutions with five direct airport engagements, eight contracts for its proprietary Auto-Sim® product, one cargo handler agreement and three

strategic partnerships, which together provide a network of over 460 airports. Furthermore, the pipeline of inbound interest has grown substantially, alongside initial revenues from customers using Auto-Sim® technology.

In September, the Company delivered two vehicles under the Changi Phase 2b contract and, following delivery of a further two vehicles shortly, testing of the four vehicles under fleet operations is scheduled in early H1 2025, using Aurrigo's Auto-Connect® management platform. As a result, the Company expect to have seven operational Auto-DollyTugs in airports around the world in early 2025.

Aurrigo's current trading remains in line with management expectations, as detailed in Company's interim results.

Aurrigo has a clear existing pipeline of expected deliverables for the Autonomous division in 2025, comprising: the go-live of Auto-Cargo with UPS; completion of trials and the agreement of a scale-up at a European airport hub; a trial announced at a major London airport and the delivery of an additional four Auto-DollyTugs at Changi. Prior to the launch of this Fundraise, the Company anticipated, subject to commercial contract, to have 12 Auto-DollyTugs in operation and have 4 live Auto-SIM contracts at international airports by the end of 2025.

The substantial growth in the pipeline has resulted in the Company having early-stage engagement with 34 airports and 18 airlines (Stage 1 of Aurrigo's Autonomous sales cycle), with eight customers now having agreed to use Auto-Sim® to map out efficiency potential (stage 2 of the sales cycle). This visibility, together with the growing reputation of its solutions across the Company's target aviation customer base, gives the Board significant confidence in the future.

Use of proceeds

Aurrigo requires further capital to continue executing its growth plans and to capitalise on the market opportunity and the Group's rapidly growing pipeline. The Company is therefore proposing to raise gross proceeds of a minimum of £5 million from the Placing, with the net proceeds (after deducting the costs and expenses of the Placing) intended to be used for capital expenditure purposes by the Group's Autonomous division, *inter alia*, as follows:

- For costs committed to parts and materials for Auto-DollyTug production;
- To productionise the vehicle build quicker;
- For investment in the engineering team;
- To increase headcount in the software development team;
- For the development of a deployment team for vehicle rollouts; and
- For additional working capital for the autonomous division.

The proceeds from the Placing will enable Aurrigo to accelerate vehicle builds, thereby providing stock to make immediate trial commitments and potentially enabling commercial sale timelines to be brought forward. Whilst again subject to commercial contract, the proceeds from the intended Placing would give Aurrigo the capacity to build an operational fleet of 22 Auto-DollyTugs and 6 live Auto-SIM contracts by the end of 2025*. This compares to the aforementioned pre-Placing anticipation of capacity for 12 Auto-DollyTugs and 4 Auto-SIM contracts during the same time period. Additional proceeds from the Retail Offer will be utilised to further accelerate the Board's strategy.

** Note:Commercial deployment of Auto-DollyTugs and Auto-SIM contracts will be subject to commercial contract. Indicative milestones and illustrative scenarios are not forecasts and rely on various assumptions, the execution of which will depend on number of factors, some of which are outside of management control.*

Management participation

Certain Directors, being Andrew Cornish, Penny Coates, Joseph Elliot and Ian Grubb, have indicated their intention to participate in the Placing for an aggregate amount of approximately £56,000. Further details of any participation will be set out in the Placing Results Announcement.

Details of the Placing

In connection with the Placing, the Company has today entered into a placing agreement with Canaccord Genuity (the **"Placing Agreement"**) pursuant to which Canaccord Genuity (acting as agent for and on behalf of the Company in respect of the Placing) has agreed, in accordance with its terms, to use reasonable endeavours to procure subscribers for the Placing Shares at the Issue Price. The Placing is not underwritten.

Participation in the Placing is subject to the terms and conditions set out in Appendix 1 (which forms part of this Announcement).

Canaccord Genuity will today commence an accelerated bookbuilding process in respect of the Placing. The final number of Placing Shares to be placed at the Issue Price will be determined at the close of the Bookbuild.

The book will open with immediate effect following this Announcement. The timing of the closing of the Bookbuild and allocations thereunder are at the absolute discretion of Canaccord Genuity, having consulted with the Company. Confirmation in respect of the number of Placing Shares will be announced as soon as practicable after the close of the Bookbuild.

The Placing Agreement contains certain customary warranties given by the Company concerning the accuracy of information given in this Announcement in respect of the Placing as well as other matters relating to the Company and its subsidiaries ("**Group**") and the Group's business. The Placing Agreement is terminable by Canaccord Genuity in certain customary circumstances up until Second Admission (but, if after First Admission, only in respect of the Second Trance Placing and the Retail Offer), including, *inter alia*, should there be a breach of a warranty contained in the Placing Agreement or should a force majeure event take place or a material adverse change to the business of the Company or the Group occur. The Company has also agreed to indemnify Canaccord Genuity against all losses, costs, charges and expenses which Canaccord Genuity may suffer or incur as a result of, occasioned by or attributable to the carrying out of its obligations under the Placing Agreement.

First Admission is conditional,*inter alia*, upon the Placing Agreement not having been terminated and becoming unconditional in respect of the First Tranche Placing Shares only. Second Admission is conditional,*inter alia*, upon the Placing Agreement not having been terminated and becoming unconditional in respect of the Second Tranche Placing Shares, First Admission and also upon the passing of the Resolutions by Shareholders at the General Meeting.

The Placing Shares, when issued, will be credited as fully paid up in cash and free from all encumbrances, and will rank *pari passu* in all respects with the Existing Ordinary Shares in issue, including the right to receive all dividends and other distributions declared, made or paid in respect of such Ordinary Shares after the date of issue.

UK Product Governance Requirements

Solely for the purposes of the product governance requirements contained within the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK Product Governance Rules**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any 'manufacturer' (for the purposes of the UK Product Governance Rules) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of (a) retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of UK law by virtue of the EUWA, (b) investors who meet the criteria of professional clients as defined in Regulation (EU) No 600/2014 as it forms part of UK law by virtue of the EUWA and (c) eligible counterparties, each as defined in chapter 3 of the FCA Handbook Conduct of Business Sourcebook ("**COBS**"); and (ii) eligible for distribution through all distribution channels as are permitted by Directive 2014/65/EU (the "**UK Target Market Assessment**"). Notwithstanding the UK Target Market Assessment, distributors should note that: the price of the Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The UK Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the UK Target Market Assessment,Canaccord Genuity will only procure investors who meet the criteria of professional clients and eligible counterparties. For the avoidance of doubt, the UK Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of COBS; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Placing Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and determining appropriate distribution channels.

EU Product Governance Requirements

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any 'manufacturer' (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of retail clients and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**EU Target Market Assessment**"). Notwithstanding the EU Target Market Assessment, distributors should note that: the price of the Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The EU Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the EU Target Market Assessment,Canaccord Genuity will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the EU Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase or take any other action whatsoever with respect to the Placing Shares. Restriction on Further Issue of Shares

The Company has undertaken toCanaccord Genuitythat, between the date of the Placing Agreement and for nine months after Admission (the "**Restricted Period**"), it will not, without the prior written consent ofCanaccord Genuity, directly or indirectly offer, issue, sell or contract to sell, issue options in respect of or otherwise dispose of or announce an offering or issue of any Ordinary Shares (or any interest therein or in respect thereof) or any other securities exchangeable for or convertible into, or substantially similar to, Ordinary Shares or enter into any transaction with the same economic effect as, or agree to do, any of the foregoing (whether or not legally or contractually obliged to do so) provided that the foregoing restrictions shall not restrict the ability of the Company or any other member of the Group during the Restricted Period to grant options under, or the allotment and issue of shares pursuant to options under, any employee or non-executive share or option schemes or long term incentive plans of the Company (in accordance with its normal practice).

Registration and Settlement

Settlement of transactions in the Placing Shares (ISIN:GB00BNG73286)following Admission will take place within the system administered by Euroclear ("**CREST**"), subject to certain exceptions.Canaccord Genuityreserves the right to require settlement for, and delivery of, the Placing Shares (or any part thereof) to Placees by such other means that they may deem necessary if delivery or settlement is not possible or practicable within the CREST system or would not be consistent with the regulatory requirements in the Placee's jurisdiction.

It is expected that settlement in respect of the First Tranche Placing Shares will take place on or around 17 December2024on a delivery versus payment basis. It is expected that settlement in respect of the Second Tranche Placing Shares will take place on or around 8 January2025on a delivery versus payment basis. Canaccord Genuity may choose to invoke the CASS Delivery Versus Payment exemption (under CASS 7.11.14R within the FCA Handbook Client Assets Sourcebook) with regard to settlement of funds, in connection with the Placing, should it see fit.

Following the close of the Bookbuild, each Placee to be allocated Placing Shares in the Placing will be sent a Form of Confirmation stating the number of Placing Shares allocated to them at the Issue Price (which shall include a breakdown of First Tranche Placing Shares and/or Second Tranche Placing Shares (if applicable)), the aggregate amount owed by such Placee toCanaccord Genuityand settlement instructions. Each Placee agrees that it will do all things necessary to ensure that delivery and payment is completed in accordance with the standing CREST or certificated settlement instructions in respect of the Placing Shares that it has in place withCanaccord Genuity.

The Company will deliver the Placing Shares to a CREST account operated byCanaccord Genuityas agent for the Company andCanaccord Genuitywill enter its delivery instruction into the CREST system. The input to CREST by a Placee of a matching or acceptance instruction will then allow delivery of the relevant Placing Shares to that Placee against payment (noting the differing settlement dates above for each of the First Tranche Placing Shares and Second Tranche Placing Shares).

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above at the rate of three percentage points above the prevailing base rate of Barclays Bank plc as determined byCanaccord Genuity.

Each Placee is deemed to agree that, if it does not comply with these obligations,Canaccord Genuitymay sell any or all of the Placing Shares allocated to that Placee on such Placee's behalf and retain from the proceeds,

forCanaccord Genuity'saccount and benefit, an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the aggregate amount owed by it and will be required to bear any stamp duty or stamp duty reserve tax or other taxes or duties (together with any interest or penalties) imposed in any jurisdiction which may arise upon the sale of such Placing Shares on such Placee's behalf.

If Placing Shares are to be delivered to a custodian or settlement agent, Placees should ensure that the Form of Confirmation is copied and delivered immediately to the relevant person within that organisation. Insofar as Placing Shares are issued in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to UK stamp duty or stamp duty reserve tax. If there are any circumstances in which any stamp duty or stamp duty reserve tax or other similar taxes or duties (including any interest and penalties relating thereto) is payable in respect of the allocation, allotment, issue, sale, transfer or delivery of the Placing Shares (or, for the avoidance of doubt, if any stamp duty or stamp duty reserve tax is payable in connection with any subsequent transfer of or agreement to transfer Placing Shares), neitherCanaccord Genuitynor the Company shall be responsible for payment thereof.

Taxation

The agreement to allot and issue Placing Shares to Placees (and/or to persons for whom such Placee is contracting as agent) free of stamp duty and stamp duty reserve tax relates only to their allotment and issue to Placees, or such persons as they nominate as their agents, direct from the Company for the Placing Shares in question. Such agreement also assumes that the Placing Shares are not being acquired in connection with arrangements to issue depositary receipts or to issue or transfer the Placing Shares into a clearance service. If there are any such arrangements, or the settlement relates to any other dealing in the Placing Shares, stamp duty or stamp duty reserve tax or other similar taxes or duties may be payable, for which neither the Company nor theCanaccord Genuitywill be responsible and the Placees shall indemnify the Company andCanaccord Genuityon an after-tax basis for any stamp duty or stamp duty reserve tax or other similar taxes or duties (together with interest, fines and penalties) in any jurisdiction paid by the Company orCanaccord Genuityin respect of any such arrangements or dealings. If this is the case, each Placee should seek its own advice and notifyCanaccord Genuityaccordingly. Placees are advised to consult with their own advisers regarding the tax aspects of the subscription for Placing Shares.

The Company andCanaccord Genuityare not liable to bear any taxes that arise on a sale of Placing Shares subsequent to their acquisition by Placees, including any taxes arising otherwise than under the laws of the United Kingdom or any country in the EEA. Each prospective Placee should, therefore, take its own advice as to whether any such tax liability arises and notifyCanaccord Genuityand the Company accordingly. Furthermore, each prospective Placee agrees to indemnify on an after-tax basis and holdCanaccord Genuityand/or the Company and their respective affiliates harmless from any and all interest, fines or penalties in relation to stamp duty, stamp duty reserve tax and all other similar duties or taxes in any jurisdiction to the extent that such interest, fines or penalties arise from the unreasonable default or delay of that Placee or its agent.

In addition, Placees should note that they will be liable for any stamp duty and all other stamp, issue, securities, transfer, registration, documentary or other duties or taxes (including any interest, fines or penalties relating

thereto) payable, whether inside or outside the UK, by them or any other person on the subscription, acquisition, transfer or sale by them of any Placing Shares or the agreement by them to subscribe for, acquire, transfer or sell any Placing Shares.

Enterprise Investment Scheme (EIS) and Venture Capital Trusts (VCT)

The Company has applied for, and has received, advance assurance from HMRC to the effect that, subject to receipt of a satisfactory compliance statement from the Company, certain of the Placing Shares (expected to be all of the First Tranche Placing Shares but not any of the Second Tranche Placing Shares or the Retail Offer Shares) are capable of satisfying the requirements for EIS Relief. The Company also expects certain of the Placing Shares (expected to be all of the First Tranche Placing Shares but not any of the Second Tranche Placing Shares or the Retail Offer Shares) to be capable of constituting a qualifying holding for VCT purposes.

The status of such Shares as a qualifying holding for VCT purposes will be conditional (amongst other things) on the qualifying conditions being satisfied throughout the period of ownership. The status of such Shares as qualifying for EIS Relief will be conditional (amongst other things) on the qualifying conditions being satisfied, both by the Company and (as regards those conditions to be met by the investor) the investor throughout a period of at least three years from the date of issue.

There can be no assurance that the Company will conduct its activities in a way that will secure or retain qualifying status for VCT and/or EIS purposes (and indeed circumstances may arise where the Directors of the Company believe that the interests of the Group are not served by seeking to retain such status). Further, the conditions for VCT and EIS Relief are complex and relevant investors are recommended to seek their own professional advice before investing. This paragraph is without prejudice to any separate comfort letters which may have been given by the Company to certain EIS and/or VCT investors in connection with the Placing.

No statement in the Placing Documents is intended to be a profit forecast or estimate, and no statement in the Placing Documents should be interpreted to mean that earnings per share of the Company for the current or future financial years would necessarily match or exceed the historical published earnings per share of the Company. Past performance is no guide to future performance and persons needing advice should consult an independent financial adviser.

The price of shares and any income expected from them may go down as well as up and investors may not get back the full amount invested upon disposal of the shares. Past performance is no guide to future performance, and persons needing advice should consult an independent financial adviser.

The Placing Shares to be issued pursuant to the Placing will not be admitted to trading on any stock exchange other than AIM, a market operated by the London Stock Exchange plc.

Neither the content of the Company's website nor any website accessible by hyperlinks on the Company's website is incorporated in, or forms part of, the Placing Documents.
