(the "**Company**" or "**RentGuarantor**")

Intention to Move to AIM

The Board of RentGuarantor (AQSE: RGG), a provider of rent guarantee services to prospective tenants across the socio-economic spectrum wishing to rent property in the UK private rental sector, announces its intention to move to AIM, the London Stock Exchange's market for small and medium size growth companies.

In light of the growth of the Company and increasing opportunities available, as well as in response to existing and potential shareholders' requests to improve share liquidity, the board of directors of RentGuarantor (the "**Board**") intends moving the public quotation for trading in its ordinary shares to AIM to support this. Further updates will be provided as appropriate, but the Board currently expects that admission to trading on AIM would occur this summer.
