Notes to Editors:

Aurrigo International plc is an international designer and developer of fully integrated smart airside solutions for the aviation industry, including automated vehicles, systems and software.

The Group's proprietary, award-winning autonomous technology and secure management system is supporting some of the world's leading airports. Customers choose to partner with Aurrigo to transform their baggage and cargo handling operations, improving safety, operational efficiencies and meeting sustainability targets, while navigating growing passenger volumes, rising costs and increasing labour shortages.

Headquartered in Coventry, UK with offices in Singapore and Ottawa, the Group has a 30+ year heritage designing and supplying automotive vehicle manufacturers with highly advanced, innovative product and system solutions. For more information, please visit the Group's website at www.aurrigo.com.
