LANDORE RESOURCES LIMITED

Completion of Additional BAM Mineral Rights Acquisition

London, United Kingdom -25April2025 - Landore Resources Limited (AIM: **LND)** ("Landore Resources" or the "Company"), is pleased to confirm completion of the acquisition by its subsidiary, Landore Resources Canada, Inc., of a series of additional mineral claims adjacent to its existing flagship BAM Gold Project area at its Junior Lake Property, Ontario, Canada, further to its announcement on 26 March 2025.

The Company further notes that, in order to maximise tax efficiency for the group, the transaction structure was slightly amended such that rather than acquiring the British Columbia based holding company, 1491205 B.C. Ltd ("149 Corp"), the BAM Extensions were instead acquired directly from the vendor.

All other terms of the acquisition remain unaltered.

Unless otherwise defined herein, all defined terms used in this announcement have the meanings ascribed to them in the Company's announcement of 26 March 2025.

About Landore Resources

Landore Resources (AIM: LND) is the 100% owner of the highly prospective BAM Gold Project, Northwestern Ontario, Canada, which has an NI 43-101 compliant resource estimate of 1.5m oz Au (Indicated: 1.03m oz from 30.96Mt @ 1.0g/t; Inferred: 467,000oz from 18.3M/t @ 0.8g/t). Ontario is Canada's largest gold producing province, and produced 3.9m oz, accounting for 41% of Canada's total gold production in 2023. Landore Resource's strategic objective is to crystallise value from BAM Gold's last estimated NPV of US$333.6m @ US$1,800/oz spot (from the May 2022 PEA), as well as generating additional value from its non-core portfolio of precious and battery metals projects in eastern Canada and the USA.
