Operations Update

Rome Resources Plc (AIM: RMR), the DRC-focused tin and base metals explorer, provides a further operations update following the decision to re-mobilise to the Bisie North site, previously announced on 24 April 2025.

The Company is currently operating helicopter support from Kisingani and drilling operations have now resumed.

Paul Barrett, Chief Executive Officer of Rome Resources Plc, commented:

"We are very pleased to be back to drilling and look forward to completing the programme in a timely manner. Assays from the last three holes are now in-house and the Company will advise the market of their results along with a detailed technical update on the strategy for the current drill programme in the coming days."
