CleanTech Lithium PLC ("CleanTech Lithium", "CTL" or the "Company")

Acquisition of Additional Licences

Fundraising

Loan Note Restructuring

And

Board Changes

CleanTech Lithium PLC (AIM: CTL), an exploration and development company advancing sustainable lithium projects in Chile, announces the planned acquisition of additional licences at Laguna Verde, its intention to raise approximately £4.25 million by way of an accelerated bookbuild, a restructuring of its existing loan notes, and certain changes to the Board of Directors.

Highlights:

- CleanTech Lithium has on 8 August 2025 signed a binding sale and purchase agreement ("**SPA**") in Chile to acquire an additional 30 licences in the Laguna Verde project (the "**Minergy Licences**") area from a Chilean family office, Minergy Chile SpA, (the "**Acquisition**") with completion having occurred subject only to payment of US$0.6m from the Firm Placing proceeds. Accordingly, CleanTech Lithium's control increases to 97.63% of the licences within the Government defined Special Lithium Operating Contract ("**CEOL**") polygon which the Company anticipates will enable it to seek a streamlined CEOL process for Laguna Verde. The current minimum threshold of control is 80% of the Government defined CEOL polygon.
- The Company intends to raise approximately £4.25 million by way of a firm placing and conditional placing of new Ordinary Shares (the "**Placing Shares**") at a price of 5p per new Ordinary Share (the "**Issue Price**") by way of an accelerated bookbuild (the "**Placing**"), consisting of:
    - Tranche 1: 22,389,380 Placing Shares at the Issue Price to raise approximately £1.12 million; and
    - Tranche 2: further Placing Shares at the Issue Price to raise a further approximately £3.13 million, subject to the passing of the necessary Resolutions at a general meeting of the Company ("**General Meeting**").

- The Company has also granted a broker option to Fox-Davies, pursuant to which up to an additional £0.25 million (which can be increased at Fox-Davies and the Company's discretion) can be raised at the Issue Price until 5.00 p.m. on 22 August 2025 (the "**Broker Option**"), again subject to the passing of the necessary Resolutions at the General Meeting. Furthermore, subject to the passing of the necessary Resolutions, the Company also intends tomake a retail offer up to an additional £0.25 million via BookBuild of new Ordinary Shares to existing shareholders (the "**Retail Offer**" and, together with the Placing and the Broker Option, the "**Fundraising**") at the Issue Price details of which, including the timetable, will be announced separately.
- As part of the Fundraising, again subject to the passing of the necessary Resolutions at the General Meeting, each Fundraising Share will carry a warrant entitlement of 1 warrant for every 1 Fundraising Share (the "**PlaceeWarrants**"). Placee Warrants are exercisableat a price of 6 pence at any time from one year after the date of Second Admission until up to and including the date which is 3 years from the date of Second Admission.
- Subject to the passing of the necessary Resolutions at the General Meeting, the maturity date for the Loan Notes shall be extended to 30 June 2026 and the existing premium and fees payable on the Loan Notes shall be capitalised. The loan note holders ("**Noteholders**"), collectively, will be granted the right to appoint a non-voting Board observer until the Loan Notes are repaid in full. Furthermore, as an alternative to Loan Notes being repaid in cash on maturity, again subject to the passing of the necessary Resolutions at the General Meeting, the Loan Notes may now also be convertible at £0.05/share at any time prior to maturity and the 2024 Warrants, granted previously with exercise prices of A$0.456 and £0.24, will be regranted with exercise prices of A$0.176 and £0.086 which represent a 72% premium to the Issue Price.
- The Board shall be, temporarily, reduced to two directors as part of operational cost reductions, with Steve Kesler reverting to Non-Executive Chairman and Gordon Stein, Maha Daoudi and Tommy McKeith agreeing to step down from the Board. Jonathan Morley-Kirk has also stepped down and will be replaced by another Jersey resident Non-Executive Director in due course.Gordon Stein will continue in his role as CFO until 11 February 2026.
- Use of Proceeds: the net proceeds will be used to fund the initial payments for the Acquisition, the final PFS payments for Laguna Verde, DLE technical work and general working capital.

Steve Kesler, Non-Executive Chairman, CleanTech Lithium PLC, said:

"The acquisition of the Minergy Licences is a pivotal step in the de-risking and advancement of the Laguna Verde Project. It increases our licence control within the Government CEOL reference polygon to 97.63%, giving us a clearer pathway to seek a streamlined CEOL approval.

This, combined with the upcoming publication of our PFS, puts us in the position to attract strategic investors and move confidently toward a Final Investment Decision ("FID"). This is a pivotal time at CTL as we continue to advance our Laguna Project responsibly, working with local communities, and supporting Chile's ambitions for sustainable lithium development.

It appears the lithium market is coming off its low as there is continued strong demand for lithium for EVs and BESS and analysts are recognising the current oversupply should turn to deficit soon. The prospect of higher prices can already be seen in strengthening lithium company share prices.

It is with this more positive outlook that we are pleased the Noteholders have agreed to restructure and extend their Loan Notes until end June 2026, and I thank them for their constant support during a difficult period.

I also thank the shareholders and new investors who will be participating in the Fundraising which provides the finance to acquire the Minergy Licences and working capital for the Group with sole focus on completing the necessary workstreams on Laguna Verde to progress towards CEOL award. Your support over a number of years is much appreciated.

The Board has also been reduced to save costs and I would like to thank the departing directors for the work they did on the Board and Board committees, the wise advice they provided and their support to the Company during some challenging times."

Minergy Licence Acquisition

CleanTech Lithium has on 8 August 2025 signed a binding SPA, via its wholly-owned Chilean subsidiary, CleanTech Laguna Verde Dos SpA ("**CTLVD**"), with Minergy Chile SpA (the "**Seller**"), a Chilean family office, to acquire the Minergy Licences within the proposed Government-referenced CEOL (Special Lithium Operating Contract) polygon for the Laguna Verde project.

As a result of the Acquisition, the Company's Chilean subsidiaries will hold 97.63% of the licences within the Government referenced CEOL polygon, consolidating its control over the majority of the Laguna Verde project area. This enhanced licence position exceeds the required minimum 80% of licences in the CEOL polygon which should allow CleanTech Lithium to seek a streamlined CEOL process for Laguna Verde. Acquiring the Minergy Licences removes the Seller as a competitor for a CEOL and mitigates the risk of any future challenges as and when a CEOL is awarded.

The Seller has agreed to a staggered, performance-based payment structure, with milestone payments linked to the granting of a CEOL, the signing of a FID and the commencement of lithium carbonate sales as set out below.

Milestone	**US$'million**
Upon signature of SPA	0.60
15 days after signature of SPA	0.38
9 months after signature of SPA or upon Laguna Verde CEOL signature*	1.02
Total initial payments	***2.00***
36 months after signature of SPA or upon FID *	2.50
30 December 2031 or upon first 10,000 tonnes lithium carbonate equivalent ("LCE") sales from Laguna Verde *	3.00
30 July 2033 or upon first 20,000 tonnes LCE sales *	3.00
30 December 2035 or upon first 40,000 tonnes LCE sales *	3.50
Total payments from project FID or production	***12.00***
Total payments	**14.00**
* Whichever is earlier	

Chilean Ministry of Mining representatives have indicated in recent meetings with the Company that, with the Acquisition and the submission of financial support letters from the Company's major shareholders (which have not yet been obtained), the Company should meet the key eligibility requirements for the Laguna Verde CEOL. It is expected that this would allow CTLVD, CleanTech Lithium's subsidiary company in Chile, to proceed through a streamlined CEOL application process, avoiding the need to participate in a competitive public tender.There is no absolute certainly however that this will be forthcoming.

Fundraising

The Company announces that it is planning to raise approximately £4.25 million via the Placing, up to £0.25 million (which can be increased at Fox-Davies and the Company's discretion) via the Broker Option and up to £0.25 million via Retail Offer at the Issue Price. The Placing will be conducted through an ABB, which will be launched immediately following release of this Announcement and will be made available to new and existing eligible institutional investors. The Placing is subject to the Terms and Conditions set out in Appendix 1 to this Announcement. Fox-Davies are acting as sole bookrunner ("**Bookrunner**").

The Fundraising includes the following elements:

- a Placing which is being conducted in two tranches raising approximately £4.25 million with:
  - the first tranche being a firm placing of 22,389,380 new Ordinary Sharesto raise approximately £1.12 million ("**Firm Placing Shares**"), such number being the maximum permitted within the Company's existing share authorisation limits given at the last General Meeting on 24 March 2025 (the "**Firm Placing**"); and
  - the second tranche, which shall be subject to the passing of the Resolutions, being a conditional placing of new Ordinary Shares ("**Conditional Placing Shares**"), to raise approximately £3.13 million (the "**Conditional Placing**").
- a Broker Option to raise gross proceeds of up to £0.25 million (which can be increased at Fox-Davies and the Company's discretion),subject to the passing of the Resolutions.
- a Retail Offer to raise gross proceeds of up to £0.25 million,subject to the passing of the Resolutions, details of which, including the timetable, will be announced separately.
- The Fundraising Shares have 1 Placee Warrant attached to every 1 Fundraising Share.Grant of all of the Placee Warrants is conditional upon the passing of the Resolutions.
- The Fundraising is being conducted at the Issue Price of 5 pence, which represents a discount of approximately 26 per cent. to the closing share price of 6.75 pence per Ordinary Share on 8 August 2025, being the last practicable date prior to publication of this Announcement.
- The Placing is being conducted through the ABB, which will be launched immediately following this Announcement and will be made available to eligible institutional investors on the terms and conditions set out in the Appendix 1 to this Announcement. The ABB is expected to close no later than 8.00 a.m. on 11 August 2025. However, the Broker and the Company reserve the right to close the ABB earlier or later, without further notice.
- The Conditional Placing, the Broker Option, the Retail Offer and the grant of the Placee and the Broker Warrants will be conditional on the passing of the Resolutions at the General Meeting. Following the close of the ABB, the Company expects to publish, on or about 13 August 2025, the Circular to convene the General Meeting ("**Circular**").

Use of Proceeds

The Placing enables the Company to fund the initial staged payments (approx. £0.75m) under the binding SPA with the Seller, complete and publish the PFS,DLE technical work and general working capital expected to cover the fundraising, legal, audit and listing and compliance costs until 2Q 2026.

The publication of the PFS, which is expected to occur when the Company is entered into a streamlined CEOL process will assist the Company in various discussions when the Company will be seeking to introduce a strategic investor into the project to fund work, including Definitive Feasibility Study ("DFS") and Environmental Impact Assessment ("EIA"), leading to a FID.

The Broker Option

In addition to the Placing, the Company has granted a Broker Option to Fox-Davies pursuant to the Placing Agreement in order to enable Fox-Davies to deal with any additional demand in the event that requests to participate in the Placing are received during the period from the date of the publication of the announcement confirming the close of the ABB until 5.00 p.m. on 22 August 2025 from Relevant Persons (as defined in Appendix 1 to this Announcement). The primary purpose of the Broker Option, which is offered to existing institutional shareholders, is to deal with demand from those investors who

did not participate in the Placing or could not be reached immediately as part of the ABB. The Broker Option is exercisable by Fox-Davies up until 5.00 p.m. on 22 August 2025 and is subject to the terms and conditions set out in Appendix 1 to this Announcement.

Any Broker Option Shares and Placee Warrants issued pursuant to the exercise of the Broker Option will be issued on the same terms and conditions as the Placing Shares and Placee Warrants, which are set out in Appendix 1 to this Announcement, and will comprise up to 5,000,000 new Ordinary Shares and up to 5,000,000 Placee Warrants.

The Broker Option may be exercised by Fox-Davies in its absolute discretion, but there is no obligation on Fox-Davies to exercise the Broker Option or to seek to procure subscribers for any Broker Option Shares and attached Placee Warrants from investors pursuant to the Broker Option.

The Broker Option, if exercised, is up to £0.25 million (before expenses)and may be increased at Fox-Davies and the Company's discretion. The issue of the Broker Option Shares and Placee Warrants is conditional on passing of the Resolutions and First Admission becoming effective.

Broker Warrants

As consideration for its services in connection with the Fundraising, the Company intends to issue the Bookrunner with warrants over such number of Ordinary Shares as is equal to between 6 and 7.5% of the Placing Shares and the Broker Option Shares (if any) (each a "**Broker Warrant**"). Each Broker Warrant will be exercisable at a price equal to the Issue Price up until five years from the date of Second Admission. The Broker Warrants will be granted conditional on the passing of the Resolutions at the General Meeting.

Loan Note Restructuring

On 1 July 2024 the Company announced it had secured commitments from several investors to raise approximately A$4 million (~£2.1 million) through the issue of Loan notes ("**the Loan Notes**"). The repayment of the Loan Notes was extended to 15 August 2025. CleanTech Lithium has now reached an agreement with its Noteholders to temporarily waive the requirement to redeem the Loan Notes by 15 August 2025 and to extend, subject to shareholder approval, the maturity date of the Loan Notes to 30 June 2026. The new, longer-term extension reflects continued support from Noteholders and includes several conditions that the Company is now seeking to implement.

The total amount outstanding to the Noteholders, as at 15 August 2025 will be as follows:

- AUD $ 4,813,081
- GBP £ 689,351
- Equivalent to approximately GBP £3.07 million (at GBP/AUD FX rate of 2.05)

The above amounts in AUD and GBP include principal, premium and fees and will be capitalised to become the new principal amount payable under the Loan Notes with the terms of the restructured Loan Notes being as follows:

- the maturity date shall be extended to 30 June 2026 ("**Maturity Date**");
- a premium of 12% per annum shall be payable on redemption (or conversion as relevant);
- Noteholders shall, for so long as the Loan Notes remain outstanding, have a right to appoint one observer to attend meetings of the Board in order to represent the interests of the Noteholders;
- on maturity, Noteholders shall be able to elect whether to be repaid in cash or whether to convert the outstanding amount into new Ordinary Shares at the Issue Price - or a combination of both;
- alternatively, Noteholders shall be able to elect to convert any amount of the outstanding principal into new Ordinary Shares at any time up until the Maturity Date at the Issue Price;
- subject to the consent of the Noteholders, any funds raised by the Company over AUD$7.5million from any future fund raises shall trigger the immediate repayment of the Loan Notes;
- the 2024 Warrants are to be regranted with exercise prices of A$0.176 and £0.086 which is a 72% premium on the Issue Price; and
- if the Company has not entered into a streamlined CEOL process for Laguna Verde by 31 January 2026 the Noteholders will require the Company to engage an M&A investment bank to look at certain strategic options.

As announced on 10 February 2025, pursuant to the terms of the Loan Notes, the Company granted security to the Noteholders in the form of a first-ranking charge over the assets and undertakings of the Company and over the issued share capital of the Company's wholly owned UK subsidiary, CleanTech Lithium Limited ("Security"). The Security remains in place and will be released once the Loan Notes are redeemed.

The Noteholders have agreed a waiver of the requirement to redeem the Loan Notes by 15 August 2025 and have also waived any breach of the Loan Note caused by non-payment of the staged payment which were due (and will fall due in October) to the vendors of the Laguna Verde Project and which have previously been reported.

The Loan Note also now includes a condition that the Company must retain £1,000,000 in its Jersey accounts. Failure to do so shall trigger a review event allowing the Noteholders to review the Company's financial position and could, if the Noteholders reasonably determine that there are no alternative options, trigger an Event of Default.

Furthermore, the Loan Note now includes the right for the Noteholders to exercise a step-in right to control the Company's financial decision making in circumstances where an Event of Default is continuing. This would be an alternative to triggering enforcement proceedings.

The Loan Note restructuring is conditional on the passing of the necessary Resolutions at the General Meeting and should shareholder approval not be obtained, the Company will be obliged to repay the Loan Notes immediately which it will be unable to do.

Board Changes

The Company intends to prioritise its expenditure on activities leading to an award of a CEOL for Laguna Verde, completion of the PFS for Laguna Verde and the introduction of potential strategic investors. Consequently, it has been agreed that Tommy McKeith, Maha Daoudi and Gordon Stein will step down from the Board with immediate effect. Jonathan Morley-Kirk has also stepped down and will be replaced by another Jersey-resident non-executive director in due course. Going forwards, and once a replacement non-executive director has been appointed, the Company will operate with a minimum of three directors, being one executive director and two non-executive directors.Gordon Stein will continue in his role as CFO until 11 February 2026.

Related Party Transaction

Regal Funds[1], a substantial shareholder in the Company currently interested in approximately 12 per cent. of the Company's issued share capital and, therefore, a Related Party under the AIM Rules, is one of the Noteholders. As such, the amendment and restatement of the Loan Notes and the grant of the waiver is a Related Party Transaction for the purposes of Rule 13 of the AIM Rules. Accordingly, the Directors of the Company, all independent, consider, having consulted with Beaumont Cornish Limited, the Company's Nominated Adviser, that the terms of the amended and restated Loan Notes and the waiver are fair and reasonable insofar as the Company's shareholders are concerned.

Shareholder approval is also required for the right of Noteholders to convert their Loan Notes into the Conversion Shares and the regrant of the 2024 Warrants to Noteholders. The General Meeting is expected to be held at the offices of the Company at de Carteret House, Castle Street, St Helier, Jersey, JE2 3BT for the purpose of passing the Resolutions. It is currently anticipated that the General Meeting will be held on or about 29 August 2025. The Circular is expected to be published on or about 13 August 2025. IMPORTANT INFORMATION FOR PLACEES ONLY REGARDING THE PLACING

Bookbuild

Following the release of this Announcement, the Bookrunner will commence an accelerated bookbuilding process in respect of the Placing ("**Accelerated Bookbuild**") and, subject to the exercise of the Broker Option a further bookbuild ("**Broker Option Bookbuild**") in respect of the Broker Option Shares (together the "**Bookbuilds**") to determine demand for participation in the Placing by Placees. The books will open with immediate effect following release of this Announcement. Members of the public are not entitled to participate in the Placing. This Appendix gives details of the terms and conditions of, and the mechanics of participation in, the Placing.

The Bookrunner and the Company shall be entitled to effect the Placing by such alternative method to the Bookbuilds as they may, in their absolute discretion, determine.

Information to Distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local measures implementing retained EU law (as defined in section 6(7) of the European Union (Withdrawal) Act 2018) in the United Kingdom) ("**Retained MiFID Provisions**" (together, the "**MiFID II Product Governance Requirements**")) and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the New Ordinary Shares and Placee Warrants have been subject to a product approval process, which has determined that such securities are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II and the Retained MiFID Provisions; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II and the Retained MiFID Provisions (the "**Target Market Assessment**").

Notwithstanding the Target Market Assessment, distributors should note that: the price of the New Ordinary Shares (and the Ordinary Shares that are subject to the Placee Warrants) may decline and investors could lose all or part of their investment; the New Ordinary Shares and Placee Warrants offer no guaranteed income and no capital protection; and an investment in the New Ordinary Shares and Placee Warrants is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Bookrunner will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II or the Retained MiFID Provisions; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the New Ordinary Shares and Placee Warrants.

Each distributor is responsible for undertaking its own target market assessment in respect of the New Ordinary Shares and Placee Warrants and determining appropriate distribution channels.

Details of the Placing Agreement, the New Ordinary Shares and the Placee Warrants

The Bookrunner is acting as the Company's agent in connection with the Placing. The Bookrunner has entered into an agreement with the Company (the "**Placing Agreement**") under which, subject to the conditions set out therein, the Bookrunner has agreed, as agent for the Company, to use its reasonable endeavours to procure Placees for the Placing Shares at a price of 5 pence per Placing Share (the "**Issue Price**") and as set out in the Placing Agreement. In addition, the Company has granted a Broker Option to Fox-Davies to place up to 5 million Broker Option Shares at the Issue Price if there is additional demand. For every Placing Share subscribed for, the Placee will also be granted one Placing Warrant. Each Placing Warrant will entitle the subscriber to subscribe for one Ordinary Share at a price of 6 pence per Ordinary Share at any time from one year after the date of Second Admission until up to and including the date which is 3 years from the date of Second Admission. The Placee Warrants will be unlisted and no application will be made for the Placee Warrants to be admitted to trading on AIM or any other stock exchange.

The Placing Shares will be allotted and issued in two tranches:

1. the first tranche will be up to a maximum of 22,389,380 Firm Placing Shares utilising the Company's existing share issuance authorities and shall be allocated between Placees as determined by Fox Davies at its sole discretion (the "**First Trance**"); and

2. the Conditional Placing Shares, being the balance of the Placing Shares not issuable in the First Admission plus to the extent the Broker Option is exercised any Broker Option Shares will be allotted and issued conditional upon (inter alia) the passing of the Resolutions at a General Meeting ("**Tranche 2**", and each of Tranche 1 and Tranche 2 being a "**Tranche**").

The number of Placing Shares and Placee Warrants in the Placing will be determined following completion of the Accelerated Bookbuild and set out in the placing supplement agreement to be entered into between Bookrunner and the Company (the "**Placing Supplement Agreement**"). The final number of Placing Shares and Placee Warrants and their allocations will be decided at the close of the Accelerated Bookbuild. The timing of the closing of the Accelerated Bookbuild will be at the discretion of the Company and the Bookrunner. Details of the number of Placing Shares and Placee Warrants will be announced as soon as practicable after the close of the Accelerated Bookbuild.

Each Placee who agrees to subscribe for Placing Shares in the Placing, and whose participation is confirmed by the Bookrunner, will have their allocation of Placing Shares split between Tranche 1 and/or Tranche 2 in such proportions as the Bookrunner may determine, in their absolute discretion.

If the Bookrunner elects to exercise the Broker Option, the number of Broker Option Shares and the attached Placee Warrants will be determined following completion of the Broker Option Bookbuild and set out in the notice of exercise of the Broker Option. The final number of Broker Option Shares and Placee Warrants and their allocations will be decided at the close of the

Broker Option Bookbuild. The timing of the closing of the Broker Option Bookbuild will be at the discretion of the Company and the Bookrunner. Details of the number of Broker Option Shares and Placee Warrants will be announced as soon as practicable after the close of the Broker Option Bookbuild.

In accordance with the terms and subject to the conditions in the Placing Agreement, the Placing is not being underwritten by the Bookrunner or anyone else, and in the event that subscribers are not obtained for all or any of the Placing Shares and Placee Warrants or in the event of a default to make payment by any subscribers procured by the Bookrunner, there will be no obligation on the Bookrunner to subscribe for any New Ordinary Shares and Placee Warrants.

The New Ordinary Shares have been or will be duly authorised and will, when issued, be credited as fully paid and will rank *pari passu* in all respects with the existing Ordinary Shares, including the right to receive all dividends and other distributions declared, made or paid in respect of the Ordinary Shares after the date of issue of the New Ordinary Shares. The New Ordinary Shares and Placee Warrants will be issued free of any encumbrances, liens or other security interests.

Participation in, and principal terms of, the Placing

1. The Bookrunner is arranging the Placing as agent of the Company. Participation in the Placing will only be available to persons who may lawfully be, and are, invited to participate by the Bookrunner. The Bookrunner and its affiliates are entitled to enter bids as principal in the Bookbuilds.

2. The Bookbuilds, if successful, will establish the number of Placing Shares and Placee Warrants which will be included in the Placing. The number of Placing Shares and Placee Warrants and the aggregate proceeds to be raised through the Placing will be agreed between the Bookrunner and the Company following completion of the relevant Bookbuilds.

3. To bid in the Bookbuilds, Placees should communicate their bid by telephone or in writing to their usual sales contact at the Bookrunner. Each bid should state the number of Placing Shares which the prospective Placee wishes to acquire at the Issue Price. The Placing Shares carry a Warrant entitlement of one Warrant for every Placing Share. Bids in the Bookbuilds may be scaled down by the Bookrunner on the basis referred to in paragraph 6 below. Each Placee who agrees to subscribe for Placing Shares in the Placing, and whose participation is confirmed by the Bookrunner, will have their allocation of Placing Shares split between Tranche 1 and/or Tranche 2 in such proportions as the Bookrunner may determine, in its absolute discretion.

4. The Bookrunner may, in agreement with the Company, accept bids that are received after the Bookbuilds have closed.

5. Each Placee's allocation will be confirmed to Placees either orally or by email by the Bookrunner following the close of the relevant Bookbuild. Subject to paragraph 8 below, the Bookrunner's oral confirmation to such Placee will constitute an irrevocable legally binding commitment upon such person (who will at that point become a Placee) in favour of the Bookrunner (as an agent of the Company) and the Company, under which such Placee agrees to subscribe for the number of Placing Shares and Placee Warrants allocated to it and to pay the Issue Price for each

such Placing hare on the terms and conditions set out in this Appendix and in accordance with the Company's articles of association.

6. Subject to paragraphs 2 and 3 above, the Bookrunner may choose to accept bids, either in whole or in part, on the basis of allocations determined at their discretion and may scale down any bids for this purpose on such basis as they may determine or be directed. The Bookrunner may also, notwithstanding paragraphs 2 and 3 above, (i) allocate Placing Shares and Placee Warrants after the time of any initial allocation to any person submitting a bid after that time, and (ii) allocate Placing Shares and Placee Warrants after the relevant Bookbuild has closed to any person submitting a bid after that time. The acceptance of offers shall be at the absolute discretion of the Bookrunner. If within a reasonable time after a request for verification of identity, the Bookrunner has not received such satisfactory evidence, the Bookrunner may, in its absolute discretion, terminate the Placee's Placing participation in which event all funds delivered by the Placee to the Bookrunner will be returned without interest to the account of the drawee bank or CREST account from which they were originally debited.

7. The allocation of Placing Shares and Placee Warrants to Placees located in Canada shall be conditional on the execution by each Placee of an investor representation letter or subscription agreement (in the form required by the Bookrunner).

8. A bid in the Bookbuilds will be made on the terms and subject to the conditions in this Appendix and will be legally binding on the Placee on behalf of which it is made and, except with the Bookrunner's and the Company's consent, will not be capable of variation or revocation after the time at which it is submitted. Each Placee will also have an immediate, separate, irrevocable and binding obligation, owed to the Bookrunner, to pay it (or its assignee or as it may direct) in cleared funds an amount equal to the product of the Issue Price and the number of Placing Shares that such Placee has agreed to acquire. Such Placees' obligations will be owed to the Bookrunner.

9. Except as required by law or regulation, no press release or other announcement will be made by either the Bookrunner or the Company using the name of any Placee (or its agent), in its capacity as Placee (or agent), other than with such Placee's prior written consent.

10. Irrespective of the time at which a Placee's allocation(s) pursuant to the Placing(s) is/are confirmed, settlement for the Placing Shares and Placee Warrants to be acquired pursuant to the Placing will be required to be made at the same time, on the basis explained below under "Registration and settlement".

11. All obligations under the Bookbuilds and the Placing will be subject to satisfaction, fulfilment or (where applicable) waiver of the conditions referred to below under "Conditions of the Placing " and to the Placing not being terminated on the basis referred to below under "Termination of the Placing Agreement".

12. By participating in a Bookbuild, each Placee agrees that its rights and obligations in respect of the Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee.

In particular, neither the Bookrunner, nor the Company, nor any of their respective Affiliates shall have any responsibility or liability (including to the extent permissible by law, any fiduciary duties) in respect of the Bookrunners conduct of the Bookbuilds or of such alternative method of effecting the Placing as the Bookrunner, its Affiliates and the Company may agree or determine.

Registration and settlement

Settlement of transactions in the New Ordinary Shares (ISIN: JE00BTJ01443) and the Placee Warrants (ISIN: to be confirmed) following Admission will take place within the relevant system administered by Euroclear ("**CREST**"), using the delivery versus payment mechanism, subject to certain exceptions. Subject to certain exceptions, the Bookrunner and the Company reserve the right to require settlement for, and delivery of, the New Ordinary Shares and Placee Warrants to Placees by such other means that they deem necessary if delivery or settlement is not practicable in CREST within the timetable set out in this Announcement or would not be consistent with the regulatory requirements in the Placee's jurisdiction.

Each Placee agrees that it will do all things necessary to ensure that delivery and payment for any New Ordinary Shares and Placee Warrants is completed either (a) in accordance with either the standing CREST or certificated settlement instructions that it has in place with the Bookrunner; or (b) if there are no standing CREST of certificated settlement instructions in place with the Bookrunner, in accordance with such CREST or (if agreed with the Bookrunner) certificated settlement instructions provided in writing by the Placee to the Bookrunner.

Subject to the paragraph below, the Company will deliver the relevant New Ordinary Shares and Placee Warrants in accordance with the Placing Agreement, to a CREST account operated by the Bookrunner as agent for the Company and the Bookrunner will enter its delivery (DEL) instruction into the CREST system. The Bookrunner will hold any New Ordinary Shares and Placee Warrants delivered to this account as nominee for the relevant Placees procured by it. The input to CREST by a Placee of a matching or acceptance instruction will then allow delivery of the relevant New Ordinary Shares to that Placee against payment.

If agreed in advance between a Placee ("**Certificated Placee**") and the Bookrunner, and notified in advance by the Bookrunner to the Company, the Company will (subject to the remainder of this paragraph) arrange for delivery of a share certificate in the name of the Certificated Placee for the relevant New Ordinary Shares and/or Placee Warrants. Funds must be received by the Bookrunner from the Certificated Placees at least three days prior to the date of Admission. Subject to receipt of the relevant funds by the Bookrunner and subject and conditional upon Admission, the Company shall arrange for delivery of the relevant share certificate to the relevant Certificated Placee. In the event that Admission does not become effective by the Long Stop Date, any funds received by the Bookrunner from any Certificated Placee shall be returned, without interest, to the relevant drawee bank account.

It is expected that settlement of the Firm Placing Shares will be on 14 August 2025 in accordance with the instructions given by the Bookrunner.It is expected that settlement of the Conditional Placing Shares and any Broker Option Shares through CREST will take place at the time of Second Admission.

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above at the rate of two percentage points above Barclays Bank PLC as determined by the Bookrunner, with interest compounded on a daily basis.

Each Placee agrees that, if it does not comply with these obligations, the Bookrunner may sell any or all of the New Ordinary Shares and Placee Warrants allocated to that Placee on such Placee's behalf and retain from the proceeds, for the Company's account and benefit, an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the aggregate amount owed by it and shall be required to bear any stamp duty, stamp duty reserve tax or other stamp, securities, transfer, registration, execution, documentary or other similar impost, duty or tax (together with any interest or penalties) which may arise upon the sale of such New Ordinary Shares and Placee Warrants on such Placee's behalf. The foregoing is without prejudice to any cause of action the Bookrunner may have against a defaulting Placee.

If New Ordinary Shares and/or Placee Warrants are to be delivered to a custodian or settlement agent, Placees should ensure that the custodian or settlement agent is notified immediately to the relevant person within that organisation. Insofar as New Ordinary Shares and/or Placee Warrants are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such New Ordinary Shares and/or Placee Warrants should, subject to as provided below, be so registered free from any liability to United Kingdom stamp duty or United Kingdom stamp duty reserve tax. If there are any circumstances in which any other stamp duty or stamp duty reserve tax (and/or any interest, fines or penalties relating thereto) is payable in respect of the allocation, allotment, issue or delivery of the New Ordinary Shares and/or Placee Warrants (or for the avoidance of doubt if any stamp duty or stamp duty reserve tax is payable in connection with any subsequent transfer of or agreement to transfer New Ordinary Shares or Placee Warrants), neither of the Bookrunner nor the Company shall be responsible for the payment thereof. Placees will not be entitled to receive any fee or commission in connection with the Placing.

The foregoing acknowledgements, agreements, undertakings, representations, warranties and confirmations are given for the benefit of the Company as well the Bookrunner (for their own benefit and, where relevant, the benefit of its Affiliates and any person acting on their behalf) and are irrevocable. Each Placee, and any person acting on behalf of a Placee, acknowledges that neither the Bookrunner nor the Company owe any fiduciary or other duties to any Placee in respect of any representations, warranties, undertakings or indemnities in the Placing Agreement.

Please also note that the agreement to allot and issue New Ordinary Shares and grant the Placee Warrants to Placees (or the persons for whom Placees are contracting as nominee or agent) free of UK stamp duty and UK stamp duty reserve tax relates only to their allotment and issue to Placees, or such persons as they nominate as their agents or nominees, direct from the Company for the New Ordinary Shares and Placee Warrants in question. Neither the Company or the Bookrunner will be responsible for any UK stamp duty or UK stamp duty reserve tax or any other transfer taxes (including any interest, fines and penalties relating thereto) arising in relation to the New Ordinary Shares and Placee Warrants in any other circumstances.

Such agreement is subject to the representations, warranties and further terms above and also assumes, and is based on a warranty from each Placee, that the New Ordinary Shares and Placee Warrants are not being acquired in connection with arrangements to issue depositary receipts or to issue or transfer the New Ordinary Shares and Placee Warrants into a clearance service. Neither the Bookrunner nor the Company are liable to bear any stamp duty or stamp duty reserve tax or any other similar duties or taxes ("**transfer taxes**") or related interest, fines or penalties that arise (i) if there are any such arrangements (or if any such arrangements arise subsequent to the acquisition by Placees of New Ordinary Shares and Placee Warrants) or (ii) on a sale of New Ordinary Shares and Placee Warrants, or (iii) otherwise than under the laws of the United Kingdom. Each Placee to whom (or on behalf of whom, or in respect of the person for whom it is participating in the Placing as an agent or nominee) the allocation, allotment, issue or delivery of New Ordinary Shares and Placee Warrants has given rise to such transfer taxes undertakes to pay such transfer taxes forthwith, and agrees to indemnify on an after-tax basis and hold the Bookrunner, the Company, their respective Affiliates and any person acting on any of their respective behalf harmless from any such transfer taxes, and all interest, fines or penalties in relation to such transfer taxes. Each Placee should, therefore, take its own advice as to whether any such transfer tax liability arises.

Each Placee and any person acting on behalf of each Placee acknowledges and agrees that the Bookrunner or any of its Affiliates may, at their absolute discretion, agree to become a Placee in respect of some or all of the New Ordinary Shares and Placee Warrants. Each Placee acknowledges and is aware that the Bookrunner is receiving a fee in connection with their role in respect of the Placing as detailed in the Placing Agreement.

When a Placee or person acting on behalf of the Placee is dealing with the Bookrunner, any money held in an account with the Bookrunner on behalf of the Placee and/or any person acting on behalf of the Placee may not be treated as client money within the meaning of the rules and regulations of the FCA made under the FSMA. The Placee acknowledges that the money will not be subject to the protections conferred by the client money rules, as a consequence, this money may not be segregated from the Bookrunner's money in accordance with the client money rules and may be used by the Bookrunner in the course of its own business, and the Placee may rank only as a general creditor of the Bookrunner.

All times and dates in this Announcement may be subject to amendment. The Bookrunner shall notify the Placees and any person acting on behalf of the Placees of any changes.

No statement in the Placing Documents is intended to be a profit forecast or estimate, and no statement in the Placing Documents should be interpreted to mean that earnings per share of the Company for the current or future financial years

would necessarily match or exceed the historical published earnings per share of the Company. Past performance is no guide to future performance and persons needing advice should consult an independent financial adviser.

The rights and remedies of the Nominated Adviser, Bookrunner and the Company under these Terms and Conditions are in addition to any rights and remedies which would otherwise be available to each of them and the exercise or partial exercise of one will not prevent the exercise of others.

Each Placee may be asked to disclose in writing or orally to the Bookrunner:

a) if he or she is an individual, his or her nationality; or

b) if he or she is a discretionary fund manager, the jurisdiction in which the funds are managed or owned.
