Aurrigo International PLC
("AURR" or the "Company")

Aurrigo Launches New Investor Hub

Designed to provide shareholders with a more proactive way of communication and enquiry support

Aurrigo International PLC (AIM: AURR), a leading international provider of transport technology solutions, is pleased to announce the launch of its new interactive investor hub. Designed for both existing and prospective shareholders, the platform brings together all Aurrigo content into one integrated location, making it easier to stay informed and engaged with the Company's progress.

- Regulatory announcements
- Reports
- Investor presentations
- Educational material
- Interviews

In addition, the hub introduces an interactive Q&A portal where investors and stakeholders can submit questions directly to the Aurrigo team, with responses managed in a timely and transparent manner. No new material, including trading or financial, information will be disclosed during the Q&A.

How to sign up for the Aurrigo International PLC investor hub:

1. Visit investors.aurrigo.com
2. Follow the prompts to sign up for an investor hub account
3. Complete your account profile

David Keene, Chief Executive Officer, commented:
"At Aurrigo, we are committed to maintaining clear and accessible communication with our shareholders. The launch of the InvestorHub represents a significant step in enhancing this dialogue, providing investors with a centralised platform to follow our journey and understand the progress we are making in autonomous airside and automotive innovation.

We believe the hub will make it easier for investors to access key materials, engage directly with our team, and gain a clearer view of our long-term strategy. We look forward to receiving feedback as we continue to strengthen our investor communications."

Ends

Engage with the Aurrigo International PLC management team directly by asking questions, watching video summaries and seeing what other shareholders have to say. Navigate to our Interactive Investor hub here: https://investors.aurrigo.com/s/a33031.

Notes to Editors:

Aurrigo International plc is an international designer and developer of fully integrated smart airside solutions for the aviation industry, including automated vehicles, systems and software.

The Group's proprietary, award-winning autonomous technology and secure management system is supporting some of the world's leading airports. Customers choose to partner with Aurrigo to transform their baggage and cargo handling operations, improving safety, operational efficiencies and meeting sustainability targets, while navigating growing passenger volumes, rising costs and increasing labour shortages.

Headquartered in Coventry, UK with offices in Singapore and Ottawa, the Group has a 30+ year heritage designing and supplying automotive vehicle manufacturers with highly advanced, innovative product and system solutions. For more information, please visit the Group's website at www.aurrigo.com.
