About RentGuarantor

RentGuarantor provides a professional rent guarantee service to tenants wishing to rent property in the UK[1] private rental sector and through local authorities, offering a solution when they cannot provide a suitable personal guarantor - like a parent

The Company acts as a guarantor on behalf of these tenants, providing payment to landlords in the event of arrears, unlocking access to housing for tenants, and allowing parties across the rental value chain to operate with increased confidence in a changing rental market.

RentGuarantor has worked with a significant number of landlords and lettings agents since it was established in 2018, and has supported thousands of tenants.
