**RentGuarantor Holdings PLC**

(the "**Company**" or "**RentGuarantor**")

**Launch of New Website**

RentGuarantor (AIM: RGG), a provider of rent guarantee services to prospective tenants across the socio-economic spectrum wishing to rent property in the UK[1] private rental sector, is pleased to announce the launch of its new website, developed by Krow Group ("**Krow**"), part of Mission Plc (TMG.L).

The new website can be viewed at the same URL: www.rentguarantor.com.

The upgrade provides an improved user interface, offering stakeholders a more engaging and accessible digital experience, whilst enabling potential customers to navigate through the Company's service offering and obtain a quote with ease.

The investment into the new website further reinforces the Company's wider marketing activities and brand strategy ahead of important industry changes in 2026, with the implementation of the first major reforms of the Renters' Rights Act commencing on 1 May 2026.

**Paul Foy, CEO of RentGuarantor, commented:** *"As a property technology company with a digital product, we see the value in investing in our digital infrastructure. This new and improved website is an indication of the Company's commitment to growth and innovation, as well as customer experience.*

*"As we approach the implementation of the first phase of the Renters' Rights Act, which removes section 21 notices, landlords will be focused on protecting their income, while tenants will be seeking greater security in their rental agreements, through solutions such as professional guarantors. With the pressure of the incoming changes, we want to make processes - whether that be information gathering or submitting applications - as smooth as possible. Our new website will ensure this."*

**John Quarrey, CEO of Krow, commented:** *"As a digital-first business, RentGuarantor understands the importance of its online experience, and we were pleased to support the team in delivering a modern, intuitive platform that supports the Company's ambitions for growth and innovation, while making it easier for users to engage with its services and strengthening the brand at an important stage in its development."*

**About RentGuarantor**

RentGuarantor provides a professional rent guarantee service to tenants wishing to rent property in the UK[1] private rental sector and through local authorities, offering a solution when they cannot provide a suitable personal guarantor - like a parent or relative. RentGuarantor offers its service across the socioeconomic spectrum, including to domestic and overseas students, as well as to working professionals and those receiving benefits. The Company acts as a guarantor on behalf of these tenants, providing payment to landlords in the event of arrears, unlocking access to housing for tenants, and allowing parties across the rental value chain to operate with increased confidence in a changing rental market.

RentGuarantor has worked with a significant number of landlords and lettings agents since it was established in 2018, and has supported thousands of tenants.

***1*** *Currently excluding Northern Ireland.*
